

TRIPLE SHOT X® 30 CALIBER (.308") RIFLE BULLETS - BARNES BULLETS TSX 30 CALIBER (0.308") FLAT BASE 110GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

This lead-free, 100% copper-constructed bullet provides extreme penetration every time. Typically, this premium hunting bullet retains 100% of its original weight even after smashing through dense tissue and heavy bone. The Triple - Shock bullet design incorporates a series of precisely positioned rings cut into the bullet's body. These grooves relieve firing pressure, allowing the TSX to be safely loaded to higher velocities while reducing copper fouling. The bonus is that this is one of the most accurate hunting bullets you can buy.

Barnes 30 cal. 110 gr. Triple Shock X Bullets - 50

Safety Instruction Guide for TRIPLE SHOT X® 30 CALIBER (.308") RIFLE BULLETS

Introduction

Thank you for choosing the TRIPLE SHOT X® 30 CALIBER (.308") RIFLE BULLETS by Barnes Bullets. This guide provides essential safety instructions to ensure the safe use and handling of these bullets. Please read this guide carefully before using the product.

General Safety Guidelines

- Always treat all ammunition as if it is live and capable of firing.
- Keep ammunition out of reach of children and unauthorized individuals.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Use only in firearms that are designed for .308 caliber ammunition.
- Regularly inspect your firearm and ammunition for any signs of damage or wear.
- Follow all local laws and regulations regarding the purchase, possession, and use of ammunition.

Specific Safety Precautions for Use

- Ensure that you are wearing appropriate eye and ear protection when handling or firing ammunition.
- Never attempt to modify or disassemble ammunition.
- Do not use damaged or corroded bullets.
- Always follow the manufacturer's specifications for loading and firing.
- Be aware of your surroundings and ensure that your firing area is safe and free from obstructions.
- Avoid using ammunition in firearms that have not been properly maintained or inspected.

Instructions for Installation and Usage

1. Preparation

- Verify that your firearm is unloaded and pointed in a safe direction.
- Gather all necessary equipment, including your firearm, ammunition, and safety gear.

2. Loading the Firearm

- Open the action of your firearm and ensure it is clear of any obstructions.
- Load the TRIPLE SHOT X® bullets into the magazine or chamber according to the manufacturer's instructions.
- Close the action carefully, ensuring that the firearm is ready for use.

3. Firing

- Assume a stable shooting position with a firm grip on the firearm.
- Aim at the intended target and ensure that the area beyond the target is clear.
- Squeeze the trigger gently to fire the bullet.
- After firing, keep the firearm pointed in a safe direction until you are ready to reload or cease firing.

4. Unloading the Firearm

- After use, open the action of your firearm and remove any remaining ammunition.
- Store unused ammunition safely according to the guidelines provided.

Disposal Instructions

- Dispose of used or damaged ammunition according to local regulations.
- Do not throw ammunition in the trash or dispose of it in a manner that could pose a risk to others.
- Contact local authorities or hazardous waste disposal services for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the TRIPLE SHOT X® 30 CALIBER (.308") RIFLE BULLETS, please refer to the manufacturer's website or customer service resources.

Conclusion

By following these safety instructions, you can help ensure a safe and enjoyable experience with your TRIPLE SHOT X® 30 CALIBER (.308") RIFLE BULLETS. Always prioritize safety and responsibility when handling ammunition. Thank you for your attention to these important guidelines.
