

TRIPLE SHOT X® 30 CALIBER (.308") RIFLE BULLETS - BARNES BULLETS TSX 30 CALIBER (0.308") FLAT BASE 130GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

This lead-free, 100% copper-constructed bullet provides extreme penetration every time. Typically, this premium hunting bullet retains 100% of its original weight even after smashing through dense tissue and heavy bone. The Triple - Shock bullet design incorporates a series of precisely positioned rings cut into the bullet's body. These grooves relieve firing pressure, allowing the TSX to be safely loaded to higher velocities while reducing copper fouling. The bonus is that this is one of the most accurate hunting bullets you can buy.

Barnes 30 cal. 130 gr. Triple Shock X Bullets - 50

Attributes

- Name: [BARNES BULLETS TSX 30 CALIBER \(0.308"\) FLAT BASE 130GR 50/BOX](#)

Safety Instruction Guide for TRIPLE SHOT X® 30 CALIBER (.308") RIFLE BULLETS

Introduction

Thank you for choosing the TRIPLE SHOT X® 30 CALIBER (.308") RIFLE BULLETS by BARNES BULLETS. This guide provides important safety information to ensure safe handling and usage of this product. Please read this guide carefully before using the bullets to minimize risks and ensure compliance with safety regulations.

General Safety Guidelines

- Ensure that all safety measures are followed during the handling and usage of the bullets.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized users.
- Regularly check for any product recalls or safety updates via the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities immediately.

Specific Safety Precautions for Use

- Always use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling bullets.
- Ensure that your firearm is compatible with .308 caliber ammunition before use.
- Do not exceed the recommended load specifications for your firearm.
- Avoid using damaged or deformed bullets as they may pose a safety risk.
- Always follow the manufacturer's instructions for your specific firearm when loading and firing.
- Be aware of your surroundings and ensure that you are in a safe environment when firing.

Instructions for Installation and Usage

1. Preparation:

- Read the firearm's manual thoroughly before proceeding.
- Ensure that the firearm is unloaded before handling the bullets.

2. Loading the Bullets:

- Use only the TRIPLE SHOT X® 30 CALIBER bullets with compatible .308 caliber firearms.
- Carefully insert the bullets into the magazine or chamber according to the firearm's manual.

3. Firing:

- Always point the firearm in a safe direction when loading and firing.
- Engage the safety mechanism of the firearm until ready to shoot.
- Fire in controlled settings, ensuring that the area is clear of people and obstacles.

4. PostUsage:

- After firing, clean the firearm according to the manufacturer's instructions.
- Store any unused bullets securely and safely.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.

- Do not throw bullets in regular trash; contact local waste management authorities for guidance on hazardous materials.
- Ensure that spent cartridges are disposed of properly to avoid environmental contamination.

Contact Information for Further Support

For any inquiries or safety concerns regarding the TRIPLE SHOT X® 30 CALIBER bullets, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safer experience while using the TRIPLE SHOT X® 30 CALIBER (.308") RIFLE BULLETS. Always prioritize safety and compliance with regulations. Thank you for your attention to these important guidelines.
