

TRIPLE SHOT X® 30 CALIBER (.308") RIFLE BULLETS - BARNES BULLETS TSX 30 CALIBER (0.308") FLAT NOSE 150GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

This lead-free, 100% copper-constructed bullet provides extreme penetration every time. Typically, this premium hunting bullet retains 100% of its original weight even after smashing through dense tissue and heavy bone. The Triple - Shock bullet design incorporates a series of precisely positioned rings cut into the bullet's body. These grooves relieve firing pressure, allowing the TSX to be safely loaded to higher velocities while reducing copper fouling. The bonus is that this is one of the most accurate hunting bullets you can buy.

Barnes 308 (30-30 WIN) 150 gr. Triple Shock X Bullets - 50

Consumer Safety Instruction Guide for TRIPLE SHOT X® 30 CALIBER RIFLE BULLETS

Introduction

Thank you for choosing the TRIPLE SHOT X® 30 CALIBER (.308") RIFLE BULLETS by Barnes. This document provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this guide carefully before using the bullets.

General Safety Guidelines

- Always handle ammunition with care and respect. Treat every bullet as if it is loaded.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized persons.
- Wear appropriate protective gear, such as safety glasses and hearing protection, when handling or using firearms.
- Ensure that your firearm is compatible with .308 caliber ammunition before use.
- Regularly inspect your firearm and ammunition for signs of damage or wear.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Risk of accidental discharge if not handled properly.
- Risk of injury from misfires or defective ammunition.

- **Avoiding Hazards:**

- Do not use ammunition that appears damaged, corroded, or otherwise compromised.
- Always follow the manufacturer's recommendations for loading and firing the ammunition.
- Do not exceed the recommended load specifications for your firearm.

- **Age Restrictions:**

- This product is intended for use by adults only. Ensure that minors are supervised by an adult when handling or using firearms.

Instructions for Installation and Usage

- **Installation:**

- Ensure your firearm is unloaded before loading bullets.
- Follow the manufacturer's instructions for loading ammunition into your firearm.
- Check that the bullet is seated correctly in the chamber before firing.

- **Usage:**

- Always point the firearm in a safe direction when loading and unloading.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure that the area is safe before firing.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Contact local waste management authorities for safe disposal options.
- Ensure that all spent casings are collected and disposed of properly to avoid environmental contamination.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please refer to the manufacturer's website or customer support resources.

Conclusion

Your safety is our top priority. By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your TRIPLE SHOT X® 30 CALIBER RIFLE BULLETS. Thank you for your attention to safety!
