

TRIPLE SHOT X® 338 CALIBER (.338") RIFLE BULLETS - BARNES BULLETS TSX 338 CALIBER (0.338") BOAT TAIL 285GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

This lead-free, 100% copper-constructed bullet provides extreme penetration every time. Typically, this premium hunting bullet retains 100% of its original weight even after smashing through dense tissue and heavy bone. The Triple - Shock bullet design incorporates a series of precisely positioned rings cut into the bullet's body. These grooves relieve firing pressure, allowing the TSX to be safely loaded to higher velocities while reducing copper fouling. The bonus is that this is one of the most accurate hunting bullets you can buy.

Barnes 338 cal. 338 Lapua Triple Shock X Bullets - 50

Safety Instruction Guide for TRIPLE SHOT X® 338 CALIBER RIFLE BULLETS

Introduction

Thank you for choosing the TRIPLE SHOT X® 338 Caliber (.338") Rifle Bullets by Barnes. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and understand all guidelines before handling or using these rifle bullets.

General Safety Guidelines

- Always treat all firearms and ammunition as if they are loaded.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding the purchase, possession, and use of ammunition.
- Regularly inspect your ammunition for any signs of damage or corrosion before use.
- In case of an accident or injury, seek medical attention immediately.

Specific Safety Precautions for Use

- Ensure you are using the correct caliber for your firearm. The TRIPLE SHOT X® bullets are designed specifically for .338 caliber rifles.
- Always use appropriate safety gear, including eye and ear protection, when handling or firing firearms.
- Be aware of your target and what is beyond it. Never fire into the unknown.
- Do not use damaged or corroded ammunition. Dispose of it safely.
- Avoid using any ammunition that has been exposed to water or other contaminants.
- Do not attempt to modify or alter the ammunition in any way.

Instructions for Installation and Usage

- Carefully read the firearm's manual before loading ammunition.
- To load the ammunition:
 - Open the magazine or chamber of your firearm.
 - Insert the TRIPLE SHOT X® bullet into the magazine or chamber according to the manufacturer's instructions.
 - Ensure that the bullet is seated properly and securely.
- When ready to fire:
 - Ensure the firearm is pointed in a safe direction.
 - Check that the safety is in the "off" position.
 - Squeeze the trigger gently to fire.
- After firing, always check the firearm for any malfunctions before reloading.

Disposal Instructions

- Dispose of unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in the regular trash. Contact local authorities or waste management facilities for safe disposal options.
- If you suspect any ammunition to be unsafe, do not attempt to use it. Follow proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the official Barnes website or contact your local retailer.

Conclusion

By following these safety instructions, you can help ensure a safe and enjoyable experience with the TRIPLE SHOT X® 338 Caliber Rifle Bullets. Always prioritize safety and responsibility in all aspects of firearm use. Thank you for your attention to these important guidelines.
