

TRIPLE SHOT X® 375 CALIBER (3.75") RIFLE BULLETS - BARNES BULLETS TRX 375 CALIBER (0.375") FLAT BASE 300GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

This lead-free, 100% copper-constructed bullet provides extreme penetration every time. Typically, this premium hunting bullet retains 100% of its original weight even after smashing through dense tissue and heavy bone. The Triple - Shock bullet design incorporates a series of precisely positioned rings cut into the bullet's body. These grooves relieve firing pressure, allowing the TSX to be safely loaded to higher velocities while reducing copper fouling. The bonus is that this is one of the most accurate hunting bullets you can buy.

Barnes 375 cal. 300 gr. Triple Shock X Bullets - 50

Safety Instructions for TRIPLE SHOT X® 375 CALIBER (3.75") RIFLE BULLETS

Introduction

Thank you for choosing the TRIPLE SHOT X® 375 CALIBER (3.75") RIFLE BULLETS by BARNES BULLETS. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before using the bullets.

General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the use of ammunition.
- Always handle ammunition with care and store it in a safe, secure place.
- Keep bullets out of reach of children and unauthorized individuals.
- Use appropriate personal protective equipment (PPE) when handling and shooting.
- Regularly inspect your equipment to ensure it is in good working condition.

Specific Safety Precautions for Use

- Always treat every bullet as if it is loaded.
- Do not point the firearm at anything you do not intend to shoot.
- Use only in firearms specifically designed for the 375 caliber.
- Ensure the firearm is pointed in a safe direction when loading and unloading.
- Follow the manufacturer's instructions for your firearm.
- Be aware of your surroundings and ensure a safe shooting environment.
- Avoid using damaged or defective ammunition.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installing any ammunition.
- Open the action of the firearm and visually inspect the chamber to confirm it is clear.
- Insert the TRIPLE SHOT X® bullets into the magazine or chamber according to the firearm's specifications.

2. Usage:

- Always wear appropriate eye and ear protection when shooting.
- Follow all range rules and regulations if shooting at a designated range.
- Ensure that the firearm is securely held and aimed at the target.
- Pull the trigger only when you are ready to shoot.
- After shooting, safely unload the firearm and store it properly.

Disposal Instructions

- Do not dispose of bullets in regular household waste.
- Contact local authorities for guidance on the proper disposal of ammunition.
- If you have damaged or defective bullets, do not attempt to use them. Follow local regulations for safe disposal.

Contact Information for Further Support

For any safety inquiries or concerns regarding the TRIPLE SHOT X® 375 CALIBER (3.75") RIFLE BULLETS, please contact the appropriate EUbased support services for assistance.

Conclusion

Following these safety instructions will help ensure a safe and enjoyable experience while using the TRIPLE SHOT X® 375 CALIBER (3.75") RIFLE BULLETS. Stay informed about safety practices and report any unsafe products or incidents to the relevant authorities. Thank you for your commitment to safety.
