

TIPPED TSX® 458 CAL (.458") POLYMER TIP BOAT TAIL RIFLE BULLETS - BARNES BULLETS TIPPED TSX 458 CALIBER (0.458) BT 300GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

With all of the benefits of the TSX, these bullets have a polymer tip that boosts B.C. and initiates expansion. The re-engineered nose cavity provides faster expansion and devastating terminal performance. Barnes' TSX Bullet offers all the deadly effectiveness of the time-proven X Bullet. Features include all-copper construction, no fragmentation, rapid expansion, 28% deeper penetration than lead-core bullets, and maximum weight retention. The TSX has proven to be one of the most accurate hunting bullets available—a fact countless shooters have confirmed. An exclusive feature of the TSX Bullet is multiple, precisely engineered rings cut into the bullet shank. These grooved rings act as relief valves as bullet metal flows under pressure while traveling down the bore. Instead of flowing from the front to the base of the bullet, the copper material expands into the grooves. This results in reduced pressures and less copper fouling. Reduced pressures mean the bullet can be safely loaded to higher velocities. The rings also alter barrel harmonics, greatly improving accuracy. Polymer Tip Boat Tail

Barnes 458 cal. 300 gr. SOCOM Tipped TSX Bullets - 50

Attributes

- Name: [BARNES BULLETS TIPPED TSX 458 CALIBER \(0.458\) BT 300GR 50/BOX](#)
- Manufacturer: [BARNES BULLETS](#)
- Product no.: 749009071
- Mfr. No.: 30642
- Ballistic Coefficient (G1): 0.236
- Brand Style: Tipped Triple Shock X
- Bullet Style: Boat Tail (BT)
- Caliber: 458 Caliber
- Diameter (in): 0.458
- Grain: 300
- Sectional Density: 0.310
- Quantity: 50
- Delivery weight: 0.975kg
- Shipping height: 71mm
- Shipping width: 58mm
- Shipping length: 114mm
- UPC: 716876458721

Item details

Made in USA

Safety Instruction Guide for TIPPED TSX® 458 CAL (.458") POLYMER TIP BOAT TAIL RIFLE BULLETS

Introduction

Thank you for choosing the TIPPED TSX® 458 CAL (.458") Polymer Tip Boat Tail Rifle Bullets by Barnes Bullets. This guide provides important safety instructions and guidelines to ensure safe and effective use of the product. Please read this guide carefully before using the bullets.

General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the purchase, possession, and use of ammunition.
- Always treat all ammunition as if it is live and capable of causing harm.
- Store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Inspect ammunition before use for any signs of damage or defects.
- Use appropriate safety gear, including eye and ear protection, when handling or firing ammunition.
- Do not use ammunition that has been exposed to moisture or has a damaged casing.

Specific Safety Precautions for Use

- Only use TIPPED TSX® 458 CAL bullets in firearms that are specifically designed for this caliber.
- Ensure that your firearm is in good working condition and properly maintained.
- Follow the manufacturer's instructions for your firearm regarding the type of ammunition to use.
- Avoid mixing different types or brands of ammunition in your firearm.
- Do not exceed the recommended load data for your specific firearm and bullet combination.
- Be aware of your surroundings and ensure that you have a safe backstop when firing.
- Never point a firearm at anything you do not intend to shoot.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary equipment, including the firearm, ammunition, and safety gear.

2. Loading the Firearm:

- Open the action of the firearm and verify that it is clear of any obstructions.
- Load the TIPPED TSX® bullets according to the firearm's loading procedure.
- Close the action of the firearm securely.

3. Firing the Firearm:

- Assume a stable shooting position and ensure a proper grip on the firearm.
- Aim at the intended target and ensure that the area is clear of bystanders.
- Squeeze the trigger smoothly to fire the round.
- After firing, check for any malfunctions or issues with the firearm.

4. Post Firing:

- Always treat the firearm as if it is loaded, even after firing.
- Open the action and remove any remaining ammunition before inspecting the firearm.
- Clean and maintain your firearm according to the manufacturer's instructions.

Disposal Instructions

- Do not dispose of ammunition in regular household waste.
- Follow local regulations for the safe disposal of ammunition.
- If you have expired or damaged ammunition, contact your local waste management authority for guidance on proper disposal.

Contact Information for Further Support

For any questions or concerns regarding the TIPPED TSX® 458 CAL bullets, please refer to the manufacturer's contact information provided on the packaging or the official website. It is important to have a reliable point of contact for any safety inquiries or product concerns.

Please remember to exercise caution and responsibility when handling and using ammunition. By following these safety guidelines, you can ensure a safe and enjoyable experience with your TIPPED TSX® 458 CAL bullets.
