

# TRIPLE SHOT X® 458 CALIBER (.458') RIFLE BULLETS - BARNES BULLETS TSX 458 CALIBER (0.458") FLAT BASE 350GR 20/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

This lead-free, 100% copper-constructed bullet provides extreme penetration every time. Typically, this premium hunting bullet retains 100% of its original weight even after smashing through dense tissue and heavy bone. The Triple - Shock bullet design incorporates a series of precisely positioned rings cut into the bullet's body. These grooves relieve firing pressure, allowing the TSX to be safely loaded to higher velocities while reducing copper fouling. The bonus is that this is one of the most accurate hunting bullets you can buy.

Barnes 458 cal. 350 gr. Triple Shock X Bullets - 20

## Attributes

- Name: [BARNES BULLETS TSX 458 CALIBER \(0.458"\) FLAT BASE 350GR 20/BOX](#)

# Safety Instruction Guide for TRIPLE SHOT X® 458 CALIBER (.458") RIFLE BULLETS

## Introduction

Thank you for choosing the TRIPLE SHOT X® 458 CALIBER (.458") RIFLE BULLETS by Barnes Bullets. This guide provides essential safety instructions and precautions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that all users are familiar with the safe handling and use of firearms and ammunition.
- Keep the product out of reach of children and unauthorized persons.
- Always store ammunition in a cool, dry place, away from direct sunlight and heat sources.
- Regularly check for any signs of damage to the product before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye and ear protection, when handling or using firearms.
- Do not use this product if you are under the influence of drugs or alcohol.
- Ensure that the firearm is compatible with .458 caliber ammunition before use.
- Avoid using damaged or corroded ammunition.
- Follow all local laws and regulations regarding the use of firearms and ammunition.
- Never point a firearm at anything you do not intend to shoot.
- Keep your finger off the trigger until you are ready to fire.

## Instructions for Installation and Usage

### • Installation:

- Check that the firearm is unloaded before installing the ammunition.
- Open the ammunition box carefully to avoid damage to the bullets.
- Load the bullets into the magazine or chamber of the firearm according to the manufacturer's instructions.

### • Usage:

- Ensure that the firearm is in good working condition before use.
- Always aim in a safe direction when preparing to fire.
- Fire only in designated shooting areas and follow all safety protocols.
- After firing, handle the firearm with care, ensuring it is pointed in a safe direction.
- Store any unused ammunition securely and in accordance with local regulations.

## Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local laws and regulations.
- Do not throw ammunition in regular trash. Instead, contact local authorities or hazardous waste disposal services for guidance.
- Ensure that all spent cartridge cases are collected and disposed of properly to prevent environmental contamination.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIPLE SHOT X® 458 CALIBER (.458") RIFLE BULLETS, please refer to the manufacturer's website or customer service for additional support. It is important to have access to reliable information and assistance regarding the safe use of this product.

Thank you for prioritizing safety and compliance. Enjoy your shooting experience responsibly!
