

# TRIPLE SHOT X® 458 CALIBER (.458') RIFLE BULLETS - BARNES BULLETS TSX 458 CALIBER (0.458") FLAT BASE 450GR 20/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

This lead-free, 100% copper-constructed bullet provides extreme penetration every time. Typically, this premium hunting bullet retains 100% of its original weight even after smashing through dense tissue and heavy bone. The Triple - Shock bullet design incorporates a series of precisely positioned rings cut into the bullet's body. These grooves relieve firing pressure, allowing the TSX to be safely loaded to higher velocities while reducing copper fouling. The bonus is that this is one of the most accurate hunting bullets you can buy.

Barnes 458 cal. 450 gr. Triple Shock X Bullets - 20

## Attributes

# TRIPLE SHOT X® 458 CALIBER (.458") RIFLE BULLETS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the TRIPLE SHOT X® 458 Caliber Rifle Bullets by Barnes Bullets. These highquality bullets are designed for optimal performance and safety. This guide provides essential safety instructions to ensure the safe use and handling of this product, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle ammunition with care and respect.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep out of reach of children and unauthorized persons.
- Use appropriate protective equipment, such as safety glasses and gloves, when handling bullets.
- Familiarize yourself with local laws and regulations regarding ammunition use.
- Do not use damaged or defective bullets.

## Specific Safety Precautions for Use

- Ensure that your rifle is compatible with .458 caliber bullets before use.
- Always follow the manufacturer's loading and firing recommendations.
- Avoid using bullets that show signs of corrosion, dents, or other damage.
- Before firing, check that the barrel is clear of obstructions.
- Use only in firearms that are designed for the specific caliber.
- Never point a firearm at anything you do not intend to shoot.
- Always treat every firearm as if it is loaded.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you are in a safe and controlled environment for loading and firing.
- Gather all necessary equipment, including your rifle, ammunition, and protective gear.

### 2. Loading the Rifle:

- Open the action of your rifle and ensure it is clear of any previous ammunition.
- Insert the TRIPLE SHOT X® .458 caliber bullets into the magazine or chamber as per the rifle's design.
- Close the action securely.

### 3. Firing the Rifle:

- Position yourself in a stable and safe shooting stance.
- Aim the rifle at the intended target while ensuring that the area is clear.
- Engage the safety mechanism until you are ready to fire.
- When ready, disengage the safety and pull the trigger smoothly.

### 4. PostFiring:

- After firing, keep the rifle pointed in a safe direction.

- Open the action to eject any spent cartridges.
- Inspect the rifle for any signs of malfunction before reloading.

## **Disposal Instructions**

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash.
- Contact your local waste disposal authority for guidance on hazardous waste disposal.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the TRIPLE SHOT X® 458 Caliber Rifle Bullets, please consult with your local retailer or the manufacturer's customer service. Always ensure you have the latest safety information and updates.

By following these safety instructions, you help ensure a safe and enjoyable experience with your TRIPLE SHOT X® 458 Caliber Rifle Bullets. Thank you for prioritizing safety.
