

# **TIPPED TSX® 6.5MM (.264") POLYMER TIP BOAT TAIL RIFLE BULLETS - TIPPED TSX 6.5MM (0.264") BT 100GR 50/BOX**

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

With all of the benefits of the TSX, these bullets have a polymer tip that boosts B.C. and initiates expansion. The re-engineered nose cavity provides faster expansion and devastating terminal performance. Barnes' TSX Bullet offers all the deadly effectiveness of the time-proven X Bullet. Features include all-copper construction, no fragmentation, rapid expansion, 28% deeper penetration than lead-core bullets, and maximum weight retention. The TSX has proven to be one of the most accurate hunting bullets available-a fact countless shooters have confirmed. An exclusive feature of the TSX Bullet is multiple, precisely engineered rings cut into the bullet shank. These grooved rings act as relief valves as bullet metal flows under pressure while traveling down the bore. Instead of flowing from the front to the base of the bullet, the copper material expands into the grooves. This results in reduced pressures and less copper fouling. Reduced pressures mean the bullet can be safely loaded to higher velocities. The rings also alter barrel harmonics, greatly improving accuracy. Polymer Tip Boat Tail

## **Attributes**

- Name: [TIPPED TSX 6.5MM \(0.264"\) BT 100GR 50/BOX](#)
- Manufacturer: [BARNES BULLETS](#)
- Product no.: 749009083
- Mfr. No.: 30240
- Ballistic Coefficient (G1): 0.359
- Brand Style: Tipped Triple Shock X
- Bullet Style: Boat Tail (BT)
- Caliber: 6.5mm,264 Caliber
- Diameter (Breech): 0.264
- Diameter (in): 0.264
- Grain: 100
- Sectional Density: 0.205
- Quantity: 50
- Delivery weight: 0.318kg
- Shipping height: 38mm
- Shipping width: 51mm
- Shipping length: 84mm
- UPC: 716876264285

# Safety Instruction Guide for TIPPED TSX® 6.5MM Polymer Tip Boat Tail Rifle Bullets

## Introduction

Thank you for choosing the TIPPED TSX® 6.5MM (.264") Polymer Tip Boat Tail Rifle Bullets. This guide provides essential safety instructions to ensure the safe use of this product. Please read this guide carefully to understand how to handle and use these bullets safely.

## General Safety Guidelines

- Ensure you are familiar with local laws and regulations regarding the use and storage of ammunition.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized persons.
- Always handle bullets with care to avoid accidental discharge.
- Use appropriate safety gear, including eye and ear protection, when handling or shooting firearms.
- Regularly check for product recalls or safety alerts through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always use the correct caliber and type of bullet as specified by your firearm's manufacturer.
- Inspect bullets for any signs of damage or defects before use.
- Avoid using damaged bullets as they may lead to malfunction or accidents.
- Follow the manufacturer's loading recommendations to prevent overpressure situations.
- Never attempt to modify or alter the bullets in any way.
- Ensure that your firearm is in good working condition and has been properly maintained.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather all necessary equipment, including the bullets, loading tools, and safety gear.

### 2. Loading the Bullets:

- Carefully insert the TIPPED TSX® bullet into the cartridge case, ensuring it is seated properly.
- Follow the recommended load data for your specific firearm to achieve optimal performance.
- Make sure to check the overall cartridge length to ensure it meets the specifications for your firearm.

### 3. Firing the Bullets:

- Before firing, doublecheck that the area is clear of any obstructions and that you have a safe backstop.
- Use the firearm as intended, following all manufacturer instructions and safety protocols.
- After firing, inspect the firearm and bullet casings for any signs of malfunction.

### 4. PostUse:

- Clean your firearm according to the manufacturer's instructions after use to maintain its performance and safety.
- Store any unused bullets in their original packaging in a secure location.

## Disposal Instructions

- Dispose of any used or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Instead, contact your local waste management service for guidance on proper disposal methods.
- If you have any concerns about the disposal of ammunition, consult local authorities or waste disposal experts.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the TIPPED TSX® bullets, please refer to the appropriate contact points provided by the manufacturer. Ensure you have the product information available for a more efficient response.

By following these safety instructions, you can ensure a safe and enjoyable experience with your TIPPED TSX® 6.5MM Polymer Tip Boat Tail Rifle Bullets. Thank you for prioritizing safety in your shooting activities.
