

# TIPPED TSX® 8MM (.323") POLYMER TIP BOAT TAIL RIFLE BULLETS - TIPPED TSX 8MM (0.323") BT 160GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

With all of the benefits of the TSX, these bullets have a polymer tip that boosts B.C. and initiates expansion. The re-engineered nose cavity provides faster expansion and devastating terminal performance. Barnes' TSX Bullet offers all the deadly effectiveness of the time-proven X Bullet. Features include all-copper construction, no fragmentation, rapid expansion, 28% deeper penetration than lead-core bullets, and maximum weight retention. The TSX has proven to be one of the most accurate hunting bullets available—a fact countless shooters have confirmed. An exclusive feature of the TSX Bullet is multiple, precisely engineered rings cut into the bullet shank. These grooved rings act as relief valves as bullet metal flows under pressure while traveling down the bore. Instead of flowing from the front to the base of the bullet, the copper material expands into the grooves. This results in reduced pressures and less copper fouling. Reduced pressures mean the bullet can be safely loaded to higher velocities. The rings also alter barrel harmonics, greatly improving accuracy. Polymer Tip Boat Tail

## Attributes

- Name: [TIPPED TSX 8MM \(0.323"\) BT 160GR 50/BOX](#)
- Manufacturer: [BARNES BULLETS](#)
- Product no.: 749009096
- Mfr. No.: 30400
- Ballistic Coefficient (G1): 0.400
- Brand Style: Tipped Triple Shock X
- Bullet Style: Boat Tail (BT)
- Caliber: 8mm
- Diameter (Breech): 0.323
- Diameter (in): 0.323
- Grain: 160
- Sectional Density: 0.219
- Quantity: 50
- Delivery weight: 0.454kg
- Shipping height: 38mm
- Shipping width: 51mm
- Shipping length: 86mm
- UPC: 716876323623

## Item details

Made in USA

US export classification: 0A505.x

# TIPPED TSX® 8MM (.323") POLYMER TIP BOAT TAIL RIFLE BULLETS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the TIPPED TSX® 8MM (.323") Polymer Tip Boat Tail Rifle Bullets. This guide provides essential safety information to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the bullets.

## General Safety Guidelines

- **Product Safety:** Always ensure the safe use of these bullets in accordance with the manufacturer's instructions.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. If a recall occurs, follow the instructions provided by the manufacturer.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** Keep these bullets out of reach of children and vulnerable individuals.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer's contact information, which should be readily available.
- **Rapid Alerts:** Check the EU's Safety Gate platform regularly for updates on unsafe products.

## Specific Safety Precautions for Use

- **Age Restrictions:** These bullets are intended for use by individuals who are legally permitted to purchase and handle ammunition. Ensure compliance with local laws regarding age restrictions.
- **Proper Handling:** Always handle bullets with care. Avoid dropping or mishandling them to prevent damage or injury.
- **Storage:** Store bullets in a cool, dry place away from direct sunlight and moisture. Keep them in their original packaging until use.
- **Protective Equipment:** When reloading or handling bullets, wear appropriate protective equipment, including safety glasses and gloves.
- **Firearm Compatibility:** Ensure that these bullets are compatible with your firearm. Consult your firearm's manual or a qualified gunsmith if unsure.

## Instructions for Installation and Usage

- **Loading Bullets:**
  - Follow the manufacturer's reloading data for safe loading practices.
  - Ensure that your reloading equipment is clean and free of obstructions.
  - Use appropriate measures to weigh and measure powder charges accurately.
- **Shooting:**
  - Always follow firearm safety rules when shooting.
  - Ensure that the shooting area is clear of obstructions and bystanders.
  - Use appropriate targets and ensure a safe backdrop.
- **PostShooting:**
  - Inspect your firearm after shooting for any signs of damage or malfunction.
  - Clean your firearm according to the manufacturer's instructions to maintain its performance and safety.

## Disposal Instructions

- **Disposal of Unused Bullets:** If you need to dispose of unused bullets, contact your local waste management authority for guidance on proper disposal methods.

- **Do Not Discard in Regular Trash:** Bullets should not be disposed of in regular household waste. Follow local regulations for hazardous materials.
- **Recycling:** Check if there are local programs that accept spent bullets for recycling.

## Contact Information for Further Support

For any questions or concerns regarding the TIPPED TSX® 8MM (.323") Polymer Tip Boat Tail Rifle Bullets, please refer to the manufacturer's contact information, which should be available on the product packaging or their official website.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your TIPPED TSX® 8MM bullets. Thank you for your attention to safety.
