

TRIPLE SHOT X® 8MM CALIBER (.323") RIFLE BULLETS - 8MM (0.323") 200GR BOAT TAIL 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

This lead-free, 100% copper-constructed bullet provides extreme penetration every time. Typically, this premium hunting bullet retains 100% of its original weight even after smashing through dense tissue and heavy bone. The Triple - Shock bullet design incorporates a series of precisely positioned rings cut into the bullet's body. These grooves relieve firing pressure, allowing the TSX to be safely loaded to higher velocities while reducing copper fouling. The bonus is that this is one of the most accurate hunting bullets you can buy.

Attributes

- Name: [8MM \(0.323"\) 200GR BOAT TAIL 50/BOX](#)
- Manufacturer: [BARNES BULLETS](#)
- Product no.: 749009098

TRIPLE SHOT X® 8MM CALIBER (.323") RIFLE BULLETS Safety Instruction Guide

Introduction

Thank you for choosing the TRIPLE SHOT X® 8MM CALIBER (.323") RIFLE BULLETS. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before using the bullets to understand how to handle, store, and dispose of them safely.

General Safety Guidelines

- Ensure that all users of this product are familiar with firearm safety and handling procedures.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized persons.
- Always use appropriate personal protective equipment (PPE) when handling ammunition, such as safety glasses and gloves.
- Check for any visible damage or defects in the bullets before use.
- Follow all local laws and regulations regarding the use and storage of ammunition.

Specific Safety Precautions for Use

- Only use these bullets in firearms that are specifically designed for 8mm caliber ammunition.
- Do not exceed the recommended load specifications for your firearm.
- Ensure that the firearm is pointed in a safe direction when loading and unloading.
- Avoid using these bullets in firearms that have been modified or are not in good working condition.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not attempt to disassemble or modify the bullets in any way.

Instructions for Installation and Usage

1. Loading the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and visually inspect the chamber to confirm it is clear.
- Insert the TRIPLE SHOT X® bullets into the magazine or chamber as per the manufacturer's instructions for your specific firearm model.
- Close the action of the firearm and ensure it is securely locked.

2. Firing the Firearm:

- Always wear appropriate PPE before firing.
- Assume a stable shooting position and ensure a clear line of sight to the target.
- Keep your finger off the trigger until you are ready to fire.
- Squeeze the trigger gently to fire the bullet.

3. Unloading the Firearm:

- Point the firearm in a safe direction.
- Open the action and remove any remaining bullets from the chamber and magazine.
- Visually inspect the chamber to ensure it is clear.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not dispose of bullets in regular household waste.
- Contact local authorities or hazardous waste disposal facilities for guidance on safe disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the TRIPLE SHOT X® 8MM CALIBER (.323") RIFLE BULLETS, please contact the manufacturer directly. Ensure you have the product details available for reference.

Conclusion

Following these safety guidelines will help ensure a safe and enjoyable experience with your TRIPLE SHOT X® 8MM CALIBER (.323") RIFLE BULLETS. Always prioritize safety and adhere to local laws and regulations. Thank you for your attention to these important safety instructions.
