

FULLBORE TARGET .30 CALIBER (0.308") BOAT TAIL RIFLE BULLETS

- FULLBORE TARGET 30 CALIBER (0.308") 155.5GR BOAT TAIL 500/BX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Berger 155.5 Grain FullBore Target Rifle Bullets are often used by competitive shooters who seek the highest accuracy possible. FullBore Target Rifle Bullets are often used beyond mid-range distances out beyond 600 yards. The 155.5 Grain FullBore Rifle Bullet was designed specifically for use in today's Palma rifle applications for international competitions at distances out to 1,000 yards. Berger FullBore Target Rifle Bullets are match-grade quality and utilize a tangent ogive Rifle Bullet design which makes these very easy to load, tune and shoot. Highly accurate, the Boat Tail Target uses J4 Precision Rifle Bullet jackets for construction. J4 Precision Jackets have a Total Indicated Runout (TIR) of +/- .0001 and extremely tight manufacturing tolerances. Berger Boat Tail Target Rifle Bullets are excellent for magazine feed applications, or where conformance to SAAMI overall length is necessary. FEATURES Tangent Ogive - Tangent Ogives are easy to tune and perform extremely well at short and long ranges. Consistent Core - Berger's exacting core manufacturing process is one of the reasons when you buy a box of Berger, you don't have to worry about sorting by weight. This gives you more reliable drop, consistent BC, and better accuracy. Boat Tail - Boat Tail bullets provide an aerodynamic advantage at longer ranges over their flat base counterparts, especially while transitioning from transonic to subsonic velocities. J4 Target Jacket - J4 Precision Bullet Jackets are the #1 choice of custom bullet manufacturers. They are the most consistent and concentric copper jackets in the world holding an unprecedented +/- .0003" tolerance. The most precise jacket produces a Berger bullet with the least amount of dispersion at all ranges.

Safety Instruction Guide for FULLBORE TARGET .30 CALIBER (0.308") BOAT TAIL RIFLE BULLETS

Introduction

Thank you for choosing the FULLBORE TARGET .30 CALIBER (0.308") BOAT TAIL RIFLE BULLETS. This guide provides essential safety information to ensure the safe and effective use of the product. Please read this guide carefully before using the bullets.

General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding ammunition and shooting.
- Store bullets in a cool, dry place, away from direct sunlight and heat sources.
- Keep bullets out of reach of children and unauthorized persons.
- Always handle bullets with care to avoid accidental discharge.
- Use only in firearms that are specifically designed for .30 caliber (0.308") ammunition.
- Regularly inspect your firearms to ensure they are in good working condition.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye and ear protection, when shooting.
- Follow all safety protocols and guidelines provided by your firearm's manufacturer.
- Avoid using bullets that show signs of damage or corrosion.
- Do not exceed the recommended load specifications for your firearm.
- Ensure that the shooting area is secure and free of bystanders.
- Never point a firearm at anything you do not intend to shoot.

Instructions for Installation and Usage

1. Loading the Bullets:

- Carefully open the packaging to avoid damaging the bullets.
- Use a clean, dry reloading press to load the bullets into cartridge cases.
- Ensure that the bullets are seated to the proper depth as specified by your reloading manual.

2. Shooting:

- Confirm that your firearm is unloaded before inserting the loaded magazine.
- Engage the safety mechanism of your firearm until you are ready to shoot.
- Aim at a safe target and ensure that the area behind the target is clear.
- Gently squeeze the trigger to fire the bullet.

3. PostShooting:

- After shooting, always check the firearm to ensure it is unloaded.
- Clean your firearm according to the manufacturer's instructions to maintain optimal performance.

Disposal Instructions

- Dispose of any unused bullets in accordance with local regulations.
- Do not throw bullets in regular household waste.
- Contact local authorities or hazardous waste disposal facilities for proper disposal methods.

Contact Information for Further Support

For safety inquiries or further assistance, please reach out to the manufacturer or your local retailer. Ensure you have the product details ready for a more efficient response.

Conclusion

By following the guidelines in this safety instruction guide, you can ensure a safe and enjoyable experience with the FULLBORE TARGET .30 CALIBER (0.308") BOAT TAIL RIFLE BULLETS. Always prioritize safety and adhere to local laws and regulations regarding ammunition use.
