# SWAUBER APPLICATORS (20 PK) Safety Instruction Guide

## Introduction

Thank you for choosing the SWAUBER APPLICATORS (20 PK) by Birchwood Casey. This guide provides essential safety instructions to ensure the safe use of the product. Please read this document carefully before using the applicators.

## General Safety Guidelines

- Always use the product in a wellventilated area to minimize exposure to fumes.
- Keep the applicators out of reach of children and pets.
- Do not use the applicators for any purpose other than those specified by the manufacturer.
- Inspect the applicators before use. Do not use if damaged or broken.
- Follow all safety instructions provided with any chemicals or solutions used with the applicators.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Wear protective gloves when using the applicators to avoid skin contact with solvents and chemicals.
- Avoid inhaling fumes from the liquids applied with the applicators.
- Do not apply liquids near open flames or heat sources.
- Dispose of used applicators properly, according to local regulations for hazardous waste.
- If any chemical comes into contact with skin or eyes, rinse immediately with plenty of water and seek medical advice if necessary.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials, including the SWAUBER APPLICATORS and any chemicals or solutions you plan to use.
- Ensure your work area is clean and free of clutter.

### 2. Using the Applicators:

- Hold the applicator by the large wire handle to avoid contact with any solvents.
- Dip the swab dauber into the desired liquid solution, ensuring it is adequately saturated but not dripping.
- Apply the liquid to the intended surface using gentle, even strokes.
- After use, dispose of the applicator in accordance with local waste disposal regulations.

### 3. PostUse Care:

- Clean your work area and any tools used during the application process.
- Wash your hands thoroughly after handling the applicators and any chemicals.

## Disposal Instructions

- Dispose of used SWAUBER APPLICATORS in accordance with local regulations for hazardous waste.
- Do not throw used applicators in regular household waste if they have been in contact with hazardous materials.

- Check local guidelines for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further information regarding the SWAUBER APPLICATORS, please refer to the manufacturer's website or contact your local distributor.

Thank you for using the SWAUBER APPLICATORS responsibly and safely. Your safety is our priority.
