

VLD HUNTING 6MM (0.243") VLD BOAT TAIL BULLETS - BERGER BULLETS 6MM (0.243") 87GR VLD BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The Berger Hunting bullet line is proving to be the most lethal big game hunting bullets available. All of the Berger Hunting bullets are made in the VLD design. The VLD design incorporates a sharp nose that allows the bullet to penetrate 2" to 3" before it starts to expand. After the bullet starts to expand it will shed 40% to 85% of its weight as shrapnel into the surrounding tissue (internal organ). The combination between the shrapnel and the hydrostatic shock produces a massive wound cavity within the vital area (internal organs) that will be 13" to 15" long. This massive wound cavity results in the animal dropping fast since most go into shock after such a tremendous blow. Those animals that don't go down immediately will soon succumb to blood pressure loss and/or organ failure producing a quick ethical kill. Berger bullets don't poke through like an arrow (high weight retention, deep penetration bullets) but instead dump their energy where it is most effective, inside the animal. Using the Berger VLD will result in an animal that goes down fast so you can enjoy the results of your hunt without having to track the wounded animal after the shot.

Attributes

- Name: [BERGER BULLETS 6MM \(0.243"\) 87GR VLD BOAT TAIL 100/BOX](#)
- Manufacturer: [BERGER BULLETS](#)
- Product no.: 749009186
- Mfr. No.: 24524
- Ballistic Coefficient (G1): 0.427
- Ballistic Coefficient (G7): 0.219
- Brand Style: VLD Hunting
- Bullet Style: VLD Boat Tail
- Caliber: 6mm,243 Caliber
- Diameter (Breech): 0.243
- Diameter (in): 0.243
- Grain: 87
- Quantity: 100
- Delivery weight: 0.612kg
- Shipping height: 43mm
- Shipping width: 84mm
- Shipping length: 84mm
- UPC: 679459245241

VLD Hunting 6mm (0.243") VLD Boat Tail Bullets

Safety Instruction Guide

Introduction

Thank you for choosing the VLD Hunting 6mm (0.243") VLD Boat Tail Bullets by Berger Bullets. This guide provides essential safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that you are of legal age to purchase and use this product in your jurisdiction.
- Always store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep this product out of reach of children and unauthorized users.
- Use only in firearms that are specifically designed for this caliber (6mm or 0.243").
- Follow all local laws and regulations regarding the use of ammunition and firearms.
- Regularly inspect your firearm and ammunition for any signs of damage or wear.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Ensure that the firearm is pointed in a safe direction at all times.
- Do not load your firearm until you are ready to shoot.
- Be certain of your target and what lies beyond it before firing.
- Avoid using the product if you notice any irregularities or defects.
- In case of a misfire, wait at least 30 seconds before attempting to clear the firearm.
- Never attempt to modify or alter the ammunition in any way.

Instructions for Installation and Usage

- Always read the firearm's owner manual before using this ammunition.
- Load the bullets into the magazine according to the firearm's specifications.
- When ready to shoot, ensure that the firearm is in a safe condition and that you are in a secure shooting position.
- After firing, check the firearm for any signs of malfunction or damage before reloading.
- Dispose of any spent casings and packaging materials responsibly.

Disposal Instructions

- Dispose of spent cartridges and packaging in accordance with local regulations.
- Do not dispose of ammunition in regular household waste.
- Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please reach out to the relevant authorities or your local dealer.

Conclusion

Following these safety guidelines will help ensure a safe and enjoyable experience with the VLD Hunting 6mm (0.243") VLD Boat Tail Bullets. Always prioritize safety and compliance with local laws to contribute to

responsible hunting practices. Thank you for your attention to these important safety instructions.
