# Safety Instruction Guide for Sinclair Bullet Sorting Stand Bullet Comparator, 22 Caliber

## Introduction

Thank you for choosing the Sinclair Bullet Sorting Stand Bullet Comparator. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before using the comparator.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to sort bullets by base to ogive length.
- Inspect the product for any damage or defects before use. Do not use if any part is damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Always use the product in a welllit area to avoid accidents.
- Follow all local laws and regulations regarding the handling and sorting of ammunition components.

## Specific Safety Precautions for Use

- Do not exceed the recommended caliber specifications when using comparators.
- Always handle bullets with care to avoid injury.
- Use the dial indicator lever control gently to avoid damaging the mechanism.
- Avoid placing heavy objects on the comparator to maintain its stability.
- Do not use the comparator for any purpose other than sorting bullets.

## Instructions for Installation and Usage

### 1. Setting Up the Comparator:

- Place the Sinclair Bullet Checker Stand on a flat, stable surface, such as a loading bench.
- Ensure that the black granite base is free from dust and debris for optimal performance.

### 2. Using the Dial Indicator:

- Adjust the dial indicator to the desired height for inserting bullets.
- Gently pull the lever control to open the comparator.
- Insert the bullet into the comparator carefully.
- Release the lever control to secure the bullet in place.

### 3. Sorting Bullets:

- After inserting the bullet, read the measurement on the dial indicator.
- Sort bullets based on the measurements obtained and store them accordingly.

### 4. Cleaning and Maintenance:

- Regularly clean the comparator with a soft cloth to prevent buildup of dirt and debris.
- Inspect the dial indicator for proper functioning and report any issues immediately.

## Disposal Instructions

- Dispose of the product in accordance with local waste management regulations.

- If the product is no longer usable, consider recycling components where possible.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any inquiries or support regarding the Sinclair Bullet Sorting Stand Bullet Comparator, please refer to the manufacturer's contact details provided with the product packaging.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure the safe and effective use of the Sinclair Bullet Sorting Stand Bullet Comparator. Always prioritize safety and adhere to best practices while handling ammunition components. Thank you for your attention to these safety measures.
