Sinclair Bullet Sorting Stand Bullet Comparator

Safety Instructions

Introduction

Thank you for choosing the Sinclair Bullet Sorting Stand Bullet Comparator, designed for sorting bullets by base to ogive length. This guide provides essential safety instructions to ensure the safe and effective use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Store the product in a dry and safe location when not in use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the workspace is clean and free from clutter to avoid accidents.
- Use the product on a stable surface to prevent tipping or sliding.
- Handle the dial indicator and comparators with care to avoid injury.
- Always follow the instructions for inserting and removing bullets to prevent accidents.
- Avoid excessive force when using the dial indicator to ensure accuracy and safety.
- Do not modify or attempt to repair the product yourself.

Instructions for Installation and Usage

1. Setup:

- Place the black granite base on a stable and flat surface.
- Ensure that the area around the stand is clear of obstructions.

2. Using the Dial Indicator:

- Adjust the lever control of the dial indicator to the desired position.
- Gently insert the bullet into the comparator.
- Release the lever to secure the bullet in place.
- Read the measurement displayed on the dial indicator.

3. Sorting Bullets:

- After measuring, carefully remove the bullet from the comparator.
- Sort bullets according to the measurements obtained.

4. Cleaning and Maintenance:

- Wipe the granite base and comparators with a soft cloth to remove dust and debris.
- Avoid using harsh chemicals or abrasive materials that may damage the surface.

Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- If the product is no longer usable, ensure it is disposed of safely to prevent any potential hazards.

Contact Information for Further Support

For any inquiries or concerns regarding the Sinclair Bullet Sorting Stand Bullet Comparator, please reach out to the designated EU contact point for assistance.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with your Sinclair Bullet Sorting Stand Bullet Comparator.
