

SINCLAIR BULLET SORTING STAND - BULLET COMPARATOR, 6MM (0.243")

[Reloading](#) > [Measuring Tools](#) > [Bullet Comparators](#)

The Sinclair Bullet Checker Stand allows you to quickly and accurately sort bullets by base to ogive length. Black granite base is perfectly flat and heavy enough to stay where you want it on your loading bench. The included dial indicator features lever control for easy insertion and removal of bullets into comparators. Bullet Checker Stand Comparators sold separately and available in 22 caliber, 6mm, 6.5mm, 7mm, 30 caliber and 338 caliber or can be used with either of our hex comparators.

Safety Instruction Guide for Sinclair Bullet Sorting Stand Bullet Comparator, 6MM (0.243")

Introduction

Thank you for choosing the Sinclair Bullet Sorting Stand Bullet Comparator. This product is designed to help you accurately sort bullets by base to ogive length, ensuring precision in your reloading process. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- **Product Safety:** This product is designed to meet safety standards for nonfood items. Always use the product as intended to minimize risks.
- **Enhanced Recalls:** In the unlikely event of a product recall, stay informed through official channels to ensure your safety.
- **Online Shopping:** If you purchased this product online, ensure that the platform complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, please refer to the manufacturer's contact information available on the product packaging.
- **Rapid Alerts:** Stay updated on any safety alerts regarding this product through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always use the bullet comparator on a stable and flat surface to prevent accidental tipping or movement.
- Handle bullets and the comparator with care to avoid injury.
- Do not exceed the recommended caliber specifications for the comparators used with the stand.
- Ensure that the dial indicator is functioning properly before use to guarantee accurate measurements.
- Regularly inspect the equipment for any signs of damage or wear. Do not use damaged components.
- Keep the comparator and bullets away from children and pets to prevent accidents.

Instructions for Installation and Usage

Installation

1. Place the black granite base of the bullet sorting stand on a stable loading bench.
2. Ensure that the base is flat and not on an uneven surface to maintain stability.

Usage

1. **Preparation:** Ensure that all bullets are clean and free from debris before sorting.
2. **Insertion:**
 - Use the lever control on the dial indicator for easy insertion of bullets into the comparators.
 - Select the appropriate comparator for the caliber of the bullet being measured.
3. **Measurement:**
 - Once the bullet is inserted, read the measurement on the dial indicator.
 - Record the measurement for your reference.
4. **Removal:**
 - Use the lever control to gently remove the bullet from the comparator after measurement.
5. **Storage:**
 - After use, store the bullet comparator and stand in a safe location away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the product and any components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check with your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Sinclair Bullet Sorting Stand Bullet Comparator, please refer to the manufacturer's contact details provided on the product packaging or visit their official website for more information.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Sinclair Bullet Sorting Stand Bullet Comparator. Thank you for your attention to safety.
