

BULLET COMPARATOR INSERTS - 404 CALIBER (0.423")

COMPARATOR INSERT

[Reloading](#) > [Measuring Tools](#) > [Bullet Comparators](#)

The Sinclair Bullet Comparator inserts are meant to be used with the Sinclair Bullet Comparator and Bump Gage Body. These inserts are stainless steel and machined with a taper and a short straight section to more accurately duplicate the chamber throat. This eliminates the wobble experienced with many comparators which have standard drilled holes. Our design allows you to quickly and accurately measure and compare bullet ogive-to-base as well as loaded round ogive-to-cartridge-base measurements. This measurement gives more consistent results than measuring overall lengths since the meplat (the open tip of the bullet) can vary by several thousandths of an inch from bullet to bullet.

Attributes

- Name: [404 CALIBER \(0.423"\) COMPARATOR INSERT](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749009372
- Mfr. No.: 090422
- Caliber: 404 Caliber
- Delivery weight: 0.023kg
- Shipping height: 1mm
- Shipping width: 89mm
- Shipping length: 89mm

Safety Instruction Guide for BULLET COMPARATOR INSERTS 404 CALIBER (0.423") COMPARATOR INSERT

Introduction

Thank you for choosing the BULLET COMPARATOR INSERTS 404 CALIBER. This guide provides important safety information and instructions to ensure the safe and effective use of the product. Please read this guide carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the BULLET COMPARATOR INSERTS by following all instructions provided in this guide.
- **Enhanced Recalls:** Stay informed about product recalls by checking official sources for any updates regarding safety issues.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety regulations similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, ensure you have access to a contact point within the EU.
- **Rapid Alerts:** Be aware of the Safety Gate system for updates on unsafe products.

Specific Safety Precautions for Use

- **Personal Safety:** Always wear appropriate safety gear, including safety glasses, when handling the BULLET COMPARATOR INSERTS.
- **Work Area:** Use the product in a wellventilated area to avoid inhalation of any metal shavings or dust.
- **Handling:** Handle the inserts with care to avoid injury from sharp edges.
- **Compatibility:** Ensure that the BULLET COMPARATOR INSERTS are compatible with your Sinclair Bullet Comparator and Bump Gage Body before use.
- **Storage:** Store the inserts in a dry place, away from moisture and extreme temperatures, to maintain their integrity.

Instructions for Installation and Usage

1. **Preparation:** Gather all necessary tools and ensure your work area is clear.
2. **Insert Installation:**
 - Align the BULLET COMPARATOR INSERTS with the Sinclair Bullet Comparator.
 - Gently insert the comparator into the appropriate slot, ensuring a snug fit without forcing it.
3. **Measurement:**
 - Place the bullet into the comparator.
 - Carefully close the comparator to secure the bullet.
 - Read the measurement displayed, ensuring accuracy by checking the alignment.
4. **Comparison:**
 - Use the BULLET COMPARATOR INSERTS to measure ogivetobase and loaded round ogivetocartridgebase.
 - Record measurements for consistency and comparison.
5. **PostUse Care:**
 - Clean the BULLET COMPARATOR INSERTS after use to remove any debris or residue.
 - Store the inserts properly to prevent damage.

Disposal Instructions

- Dispose of the BULLET COMPARATOR INSERTS in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling programs or designated disposal sites for metal products.

Contact Information for Further Support

For any questions or concerns regarding the BULLET COMPARATOR INSERTS, please refer to the manufacturer's contact information available with your purchase.

By following these safety instructions, you can ensure a safe and effective experience with the BULLET COMPARATOR INSERTS 404 CALIBER (0.423") COMPARATOR INSERT. Thank you for your attention to safety and for choosing our product.
