

# EDGEWOOD FRONT BENCHREST BAGS - STANDARD FRONT BAG, 2-1/4" FOREND

[Shooting Accessories](#) > [Shooting Rests](#) > [Bench Rest Bags](#)

Edgewood front bags are constructed much like the rear bags with reinforced leather sides and heavy duty nylon tops. The inside corners feature sewn in nylon inserts to prevent the material from rolling under the stock. All Edgewood Front Bags are available for hunter stocks widths (2¼") or Benchrest stock widths (3"). Each of the two widths are offered in four different styles: Standard Bag, features ½" leather flaps extending along the bottom edges to be pinned under your rest top retaining bars. Or the flaps may be punched, notched, or cut away all together to custom fit your rest. Standard Bag w/reinforced top, has an extra thick top to hold desired forend shape. Farley Bag, which is narrower than the Standard Bag from front to back to specifically fit the Farley Co-Axial and Co-Axial II rests only. Farley Bag w/reinforced top, has an extra thick top to hold desired forend shape. These bags fit old style pre-2009 Farley tops only. New style bags also available.

## Attributes

# Safety Instruction Guide for EDGEWOOD FRONT BENCHREST BAGS

## Introduction

Thank you for choosing the EDGEWOOD FRONT BENCHREST BAGS. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before using the bags to understand the potential risks and how to mitigate them.

## General Safety Guidelines

- Ensure the bags are used only as intended, as specified in this guide.
- Always inspect the bags for any signs of wear or damage before use.
- Keep the bags out of reach of children and vulnerable individuals to prevent accidents.
- Store the bags in a dry, cool place away from direct sunlight to prolong their lifespan.
- Report any unsafe conditions or accidents associated with the product to the appropriate authorities.

## Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the recommended weight limit for the bags, as this may compromise their stability and safety.
- **Use on Stable Surfaces:** Ensure that the surface you place the bags on is stable and secure to prevent tipping or sliding during use.
- **Proper Filling:** Only use Extra Heavy Bag Sand for filling the bags. Avoid using any other materials that may not provide the necessary weight or stability.
- **Secure Placement:** Always ensure that the bags are securely placed under your rest before use to avoid any accidental movement.
- **Check for Damage:** Regularly check for any signs of wear, such as tears or holes, and discontinue use if any damage is found.

## Instructions for Installation and Usage

### 1. Filling the Bags:

- Use a small funnel to fill the bags with Extra Heavy Bag Sand.
- Ensure that the bags are filled to the desired level, but do not overfill as this may affect their performance.

### 2. Placement:

- Place the filled bag securely under your rifle rest.
- Adjust the position of the bag to ensure that it supports the forend adequately.

### 3. Customization:

- If necessary, customize the flaps of the Standard Bag by punching, notching, or cutting them to fit your rest better.
- Ensure that any modifications do not compromise the structural integrity of the bag.

### 4. Usage:

- When using the bags, ensure that they are positioned correctly to provide the necessary support and stability.

- Avoid placing excessive pressure on the bags that could cause them to deform or fail.

## **Disposal Instructions**

- Dispose of any damaged or unusable bags according to local waste disposal regulations.
- If the bags are made of materials that can be recycled, please recycle them appropriately.
- Do not incinerate the bags, as this may release harmful substances.

## **Contact Information for Further Support**

For inquiries regarding safety or product concerns, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

## **Conclusion**

By following the safety guidelines and instructions outlined in this guide, you can ensure a safe and effective experience with your EDGEWOOD FRONT BENCHREST BAGS. Thank you for your attention to these important safety measures.
