

PRIMER POCKET CHAMFERING TOOL - FORSTER PRODUCTS, INC.

FORSTER PRIMER POCKET CHAMFER TOOL

[Reloading](#) > [Case Preparation](#) > [Primer Pocket Tools](#) > [Reamers & Swagers](#)

This case prep tool is deigned to work in both of Forster "Original" and "Classic" case trimmers for faster, more accurate results than prepping by hand to ensure that each case is in the best condition for reloading. Pocket Chamfer tool removes the military primer pocket crimp so you can reload military brass. Use the case trimmer stop collar to control uniformity and depth of the cut. Staggered-tooth cutter will chamfer thousands of spent military rounds.

Safety Instruction Guide for PRIMER POCKET CHAMFERING TOOL

Introduction

Thank you for choosing the Forster Primer Pocket Chamfering Tool. This tool is designed for use in both the Forster "Original" and "Classic" case trimmers, providing a safe and efficient means to prepare your brass cases for reloading. This guide contains essential safety instructions and best practices to ensure safe and effective use of the product.

General Safety Guidelines

- Always read the manual thoroughly before using the tool.
- Ensure the tool is used only for its intended purpose.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool before each use to ensure it is in good condition.
- Do not use the tool if it appears damaged or malfunctioning.
- Follow all instructions carefully to avoid accidents and injuries.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Wear safety glasses to protect your eyes from debris during operation.
- Use gloves to protect your hands from sharp edges.
- Ensure that the work area is clean and free of clutter.
- Do not attempt to modify the tool in any way.
- Avoid wearing loose clothing or jewelry that could get caught in the tool.
- Keep hands and other body parts away from the cutting area while in use.
- Do not force the tool; if it does not operate smoothly, stop and check for obstructions.

Instructions for Installation and Usage

1. Installation:

- Ensure the case trimmer is securely mounted and stable before installation.
- Align the chamfering tool with the trimmer according to the manufacturer's instructions.
- Use the case trimmer stop collar to set the desired depth of cut.

2. Usage:

- Insert the brass case into the trimmer securely.
- Activate the trimmer to begin chamfering the primer pocket.
- Monitor the process to ensure uniformity and consistency.
- After use, turn off the trimmer and remove the brass case.
- Clean the tool and work area to remove any debris.

Disposal Instructions

- Dispose of any broken or unusable parts in accordance with local regulations.
- Do not dispose of the tool in regular household waste.
- Check for local recycling programs that accept metal tools.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the Forster Primer Pocket Chamfering Tool, please contact the manufacturer directly through their official channels. Ensure you have the product details available for reference.

By following these guidelines, you can ensure a safe and effective experience while using the Forster Primer Pocket Chamfering Tool. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
