

CO-AX PRIMER SEATER - FORSTER PRODUCTS, INC. SMALL PRIMER FEED TUBE

[Reloading](#) > [Priming Tools](#) > [Benchmount Tools](#)

Bench mounted priming tools have been popular with reloaders for years because they are faster and do a better job of primer seating than many of the press mounted primer seaters. The CO-AX Primer Seater from Forster has automatic shellholder jaws which close securely on most modern rifle and pistol cases(no additional shellholders needed). Primers stack sideways in the primer feed tubes for added safety, and the tubes are open in front so it is easy to view the remaining primer supply. The tool base is a quality machined casting and includes a built-in primer flip tray. Large and small rifle and pistol primer tubes are included.

Attributes

COAX Primer Seater Safety Instructions

Introduction

Thank you for choosing the COAX Primer Seater from Forster Products, Inc. This tool is designed to enhance your reloading experience by providing efficient and precise primer seating. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the work area is clean, welllit, and free from distractions while using the COAX Primer Seater.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, to protect against debris and other hazards.
- Keep the tool out of reach of children and unauthorized users.
- Regularly inspect the tool for any signs of wear or damage before use.
- Follow all manufacturer guidelines and recommendations for use and maintenance.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Read all instructions carefully before using the COAX Primer Seater.
- Ensure that the primer feed tubes are properly loaded and secured before operation.
- Do not exceed the recommended capacity of the primer feed tubes.
- Avoid placing fingers or other body parts near the shellholder jaws during operation.
- Only use the tool with compatible rifle and pistol cases as specified by the manufacturer.
- Do not modify the tool or use it for any purpose other than intended.
- If you experience any malfunction or unusual behavior of the tool, discontinue use immediately and consult the manufacturer.

Instructions for Installation and Usage

Installation

1. **Choose a Suitable Work Surface:** Select a stable, flat surface for mounting the COAX Primer Seater. Ensure it is secure and can withstand the force applied during use.
2. **Mounting the Tool:** Use the provided mounting hardware to securely attach the primer seater to the work surface. Ensure it is firmly fastened to prevent movement during operation.
3. **Loading the Primer Feed Tubes:**
 - Open the primer feed tube cover.
 - Load primers into the tube, ensuring they are oriented correctly.
 - Close the cover securely.

Usage

1. **Preparing the Cases:** Ensure that all cases are clean and free from debris before use.
2. **Inserting Cases:** Place the case into the shellholder jaws. The automatic jaws will close securely around the case.
3. **Seating the Primer:** Pull the lever to seat the primer into the case. Ensure that the primer is seated flush with the case head.
4. **Checking Primer Supply:** Periodically check the primer feed tube to ensure there are sufficient primers available. The open front design allows for easy visibility.
5. **Finishing Up:** After use, remove the cases and clean the tool as per the maintenance instructions.

Disposal Instructions

- Dispose of any used primers and packaging materials in accordance with local regulations for hazardous waste.
- Do not dispose of the COAX Primer Seater in regular household waste. Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the COAX Primer Seater, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority. Enjoy your reloading experience with the COAX Primer Seater!
