

STUCK CASE REMOVER - FORSTER PRODUCTS, INC. STUCK CASE REMOVER

[Reloading](#) > [Reloading Dies](#) > [Stuck Case Removers](#)

Forster has developed this simple, inexpensive stuck case remover to work on most sizing dies. The unique design even works on stuck cases which have the decapping rod and expander ball stuck in the die. All components are hardened for long life and a washer is included to protect the top of your die.

STUCK CASE REMOVER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Stuck Case Remover by Forster Products, Inc. This product is designed to help you safely and effectively remove stuck cases from most sizing dies. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the Stuck Case Remover in accordance with the manufacturer's instructions.
- Ensure that the working area is clean and welllit to avoid accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the Stuck Case Remover before each use for any signs of damage or wear.
- Do not use the product if it is damaged or not functioning properly.
- Store the Stuck Case Remover in a safe place when not in use to prevent accidents.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, while using the Stuck Case Remover.
- Avoid wearing loose clothing or jewelry that could become caught in the product during use.
- Ensure that the die you are working with is securely mounted to prevent movement during the removal process.
- Do not apply excessive force when using the Stuck Case Remover, as this may cause damage to the die or the remover itself.
- If you experience difficulty using the product, stop immediately and assess the situation before proceeding.
- In case of an accident or injury, seek medical attention if necessary.

Instructions for Installation and Usage

1. Preparation:

- Ensure your work area is clean and free of debris.
- Gather all necessary tools and the Stuck Case Remover.

2. Installation:

- Attach the Stuck Case Remover to the die according to the manufacturer's instructions.
- Make sure all components are securely fastened before proceeding.

3. Usage:

- Position the Stuck Case Remover so that it aligns with the stuck case in the die.
- Gently turn the handle to engage the remover with the stuck case.
- Apply steady pressure until the stuck case is released. Avoid using excessive force.
- Once the case is removed, inspect the die and the Stuck Case Remover for any damage.
- Clean the area and store the Stuck Case Remover properly after use.

Disposal Instructions

- Dispose of the Stuck Case Remover according to local regulations.
- If the product is damaged beyond repair, recycle any metal components where applicable.

Contact Information for Further Support

For any questions or concerns regarding the Stuck Case Remover, please refer to the manufacturer's contact information provided with the product packaging. Ensure you have the product details ready for any inquiries.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the Stuck Case Remover. Always prioritize safety and do not hesitate to reach out for support if needed. Thank you for choosing Forster Products, Inc.
