

SPORTING HANDGUN 44 CAL (0.429") JHP REVOLVER BULLETS - NOSLER SPORTING HANDGUN .44 CALIBER (0.429") JHP 240GR 250/BOX

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

NOSLER SPORTING HANDGUN 44 CALIBER (0.429") JACKETED HOLLOW POINT REVOLVER BULLETS Whether you punch paper, shoot steel or use your handgun for hunting, Nosler ensures you have the very finest in accuracy, consistency and overall quality. Designed to expand rapidly upon impact, the pure lead core is copper-alloy jacketed for maximum bullet stability and balance while further enhancing accuracy. The bullet's well-defined cannelure holds the jacket and core together and allows a tight crimp, eliminating bullet movement within the case. Like our premium rifle bullets, Nosler hand-inspects all Sporting Handgun bullets for quality assurance and then polishes them to a bright finish.

Consumer Safety Instruction Guide for Nosler Sporting Handgun .44 Caliber (0.429") JHP 240gr Bullets

Introduction

Thank you for choosing Nosler Sporting Handgun .44 Caliber (0.429") Jacketed Hollow Point (JHP) 240gr Bullets. These highquality bullets are designed for superior accuracy and reliability in various shooting applications, including target practice, hunting, and selfdefense. This guide provides essential safety information to ensure safe handling and usage of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat all firearms and ammunition as if they are loaded.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized individuals.
- Use appropriate personal protective equipment (PPE), such as eye and ear protection, when handling and shooting.
- Ensure that you are familiar with the laws and regulations regarding ammunition in your area.

Specific Safety Precautions for Use

- Verify that your firearm is compatible with .44 caliber ammunition before use.
- Inspect each bullet for any visible damage before loading.
- Do not use bullets that are corroded, dented, or otherwise compromised.
- Follow the manufacturer's guidelines for loading, firing, and cleaning your firearm.
- Avoid mixing different brands or types of ammunition in your firearm.
- Do not exceed the recommended load specifications for your firearm.

Instructions for Installation and Usage

1. Loading the Bullets:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Open the cylinder or magazine of your firearm.
- Insert the Nosler bullets into the chambers or magazine, ensuring they are seated properly.
- Close the cylinder or magazine securely.

2. Firing the Bullets:

- Always ensure the firearm is pointed in a safe direction.
- Check your surroundings before firing to ensure there are no obstacles or bystanders in the line of fire.
- Take a stable shooting stance, and grip the firearm firmly.
- Aim carefully and squeeze the trigger smoothly to fire the bullet.

3. PostFiring Procedures:

- After firing, always treat the firearm as if it is still loaded.
- Inspect the firearm for any malfunctions or issues before storing or cleaning.
- Clean your firearm according to the manufacturer's instructions to maintain its condition.

Disposal Instructions

- Do not dispose of bullets in regular household waste.
- Follow local regulations for the disposal of ammunition and hazardous materials.
- If you have unused or expired ammunition, contact a local law enforcement agency or hazardous waste disposal facility for guidance.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Nosler Sporting Handgun .44 Caliber (0.429") JHP 240gr Bullets, please reach out to the appropriate contact in your region. Ensure you have the product details available for a more efficient response.

Conclusion

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience while using Nosler Sporting Handgun .44 Caliber Bullets. Always prioritize safety and remain informed about best practices for handling ammunition. Thank you for your attention to these important safety measures.
