

XTP® MAG™! 45 CALIBER (.452) PISTOL BULLETS - XTP® MAG™! 45 CALIBER (0.452") 240GR JHP 100/BOX

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

Designed for personal defense and medium-game hunting, XTP® Mag™ bullets provide the same controlled expansion, accuracy and dependability that have made XTP® bullets a favorite among target shooters and hunters alike. But XTP® Mag™ bullets are designed to take things a step further — withstanding the higher velocities and impacts of ultra-powerful, magnum handguns while delivering even deeper penetration than standard XTP® bullets. **PRODUCT FEATURES CONTROLLED EXPANSION** Precise serrations divide the XTP® Mag™ into symmetrical sections, strategically weakening the jacket and initiating controlled expansion even at low velocities. **NO EXPOSED LEAD** The gilding metal jacket protects the nose of the bullet, so the hollow cavity functions properly on impact and ensures proper feeding in semi-automatics. **SWAGED CORE** Total uniformity of core density ensures balanced expansion as well as in-flight stability. **DRAWN GILDING METAL JACKET** Expansion is controlled by varying jacket thickness down the length of the XTP® Mag™, providing a definite advantage over plated bullets which have a uniform jacket thickness over the entire bullet. **CANNELURE** On revolver bullets, the cannellure helps achieve accurate, consistent crimping. All cannellures are applied before the final forming process to eliminate any distortion to the finished bullet.

Attributes

- Name: [XTP® MAG™! 45 CALIBER \(0.452"\) 240GR JHP 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749009748

XTP® Mag™ 45 Caliber Pistol Bullets Safety Instruction Guide

Introduction

Thank you for choosing XTP® Mag™ 45 Caliber (.452) Pistol Bullets. This guide provides essential safety instructions to ensure safe handling, installation, and usage of this product. Please read this guide carefully before use to understand the precautions necessary for your safety and the safety of others.

General Safety Guidelines

- Always treat all firearms and ammunition as if they are loaded.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Use only in firearms that are designed for 45 caliber ammunition.
- Always wear appropriate safety gear, including eye and ear protection, when handling or firing firearms.
- Be aware of your surroundings and ensure a safe environment when using firearms.

Specific Safety Precautions for Use

- Ensure that your firearm is in good working condition and properly maintained.
- Before loading, inspect each bullet for any signs of damage or defects.
- Do not exceed the recommended load data for your firearm.
- Avoid using ammunition that has been exposed to extreme temperatures or humidity.
- Follow all local laws and regulations regarding the use of firearms and ammunition.
- Never mix different types of ammunition in the same firearm.

Instructions for Installation and Usage

- Read the firearm's manual for specific instructions on loading and unloading.
- Load the bullets into the magazine or cylinder according to the manufacturer's instructions.
- When firing, maintain a firm grip on the firearm and keep your finger off the trigger until ready to shoot.
- Always point the firearm in a safe direction when loading, unloading, or handling.
- After use, clean your firearm according to the manufacturer's recommendations to maintain performance and safety.

Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash. Contact local waste management authorities for proper disposal methods.
- Ensure that all ammunition is stored securely until it can be disposed of safely.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the XTP® Mag™ 45 Caliber Pistol Bullets, please reach out to the appropriate local authorities or your retailer.

Conclusion

By following these safety instructions, you can help ensure a safe and enjoyable experience with your XTP® Mag™ 45 Caliber Pistol Bullets. Always prioritize safety and responsibility when handling firearms and ammunition. Thank you for your attention to these important guidelines.
