

FTX® 45 CALIBER (.452") RIFLE BULLETS - FTX .45 CAL (0.458") 325GR FOR .45-70 & .450 MARLIN PT 50/BX

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

Hornady® FTX® bullets revolutionized lever gun ballistics, creating a new level of performance for these popular firearms. Lever gun enthusiasts can now harness the accuracy, power and long-range performance of a tipped bullet that's safe to load in tubular magazines. Hornady® offers the same Flex Tip® technology for handguns that revolutionized lever guns. Typical hollow point pistol bullets deliver good performance at modest velocities, but have a tendency to expand too quickly and sacrifice penetration at the higher velocities achieved with lever action guns. PRODUCT FEATURES PATENTED FLEX TIP® BULLET TECHNOLOGY Upon impact, the soft tip compresses into the bullet, initiating immediate expansion across a wide range of velocities. Safe to shoot in tubular magazines as well as any other firearm. INTERLOCK® RING The one-piece, high antimony lead core of the FTX® is mechanically locked to the jacket with an InterLock ring. This, along with a specially designed jacket, results in reliable performance and maximum weight retention for deep penetration on large or heavy-bodied game animals. BALLISTICALLY EFFICIENT SECANT OGIVE Pioneered by Hornady,® the secant ogive profile delivers stability, flat trajectories and amazing accuracy. SPECIALLY ENGINEERED JACKET The heavy jacket over the shank of the bullet combined with proven InterLock® design controls expansion and enhances accuracy.

Attributes

- Name: [FTX .45 CAL \(0.458"\) 325GR FOR .45-70 & .450 MARLIN PT 50/BX](#)

Safety Instruction Guide for FTX® 45 Caliber (.452") Rifle Bullets

Introduction

Thank you for choosing Hornady® FTX® 45 Caliber (.452") Rifle Bullets. These bullets are designed for use in .4570 and .450 Marlin rifles, providing enhanced performance and accuracy. This safety instruction guide outlines essential safety guidelines, precautions, and instructions for the proper use of this product to ensure your safety and satisfaction.

General Safety Guidelines

- Always treat every bullet as if it is loaded.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized persons.
- Use only in firearms that are specifically designed for .45 Caliber ammunition.
- Do not use damaged or deformed bullets.
- Always wear appropriate safety gear, including eye protection, when handling or shooting.
- Follow all local laws and regulations regarding the use of ammunition.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Risk of injury from improper handling or usage.
- Risk of firearm malfunction if used in incompatible firearms.
- Potential for ricochet if bullets strike hard surfaces at an angle.

- **Avoiding Hazards:**

- Always ensure the firearm is pointed in a safe direction when loading or unloading.
- Do not exceed the recommended load data provided by the firearm manufacturer.
- Inspect the firearm and ammunition for any signs of wear or damage before use.
- Never mix different types of ammunition in the same magazine.

- **Age Specific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that young or inexperienced users are properly trained in firearm safety and usage.

Instructions for Installation and Usage

- **Installation:**

- Ensure your firearm is unloaded before installing or handling bullets.
- Follow the manufacturer's instructions for loading bullets into the magazine.
- Make sure the bullets are seated properly in the cartridge case.

- **Usage:**

- Always check the firearm's chamber to confirm it is clear before loading.
- Load the bullets into the magazine according to the firearm's specifications.
- When ready to shoot, ensure you are in a safe environment, following all local shooting range rules.

and regulations.

- After shooting, unload the firearm and inspect it for any issues before storing.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash; contact your local waste management authority for proper disposal methods.
- Ensure that all ammunition is stored securely until it can be disposed of properly.

Contact Information for Further Support

For any safety inquiries or concerns regarding the use of Hornady® FTX® 45 Caliber (.452") Rifle Bullets, please reach out to your local authorized dealer or consult the Hornady® website for additional resources.

Thank you for prioritizing safety and responsible usage. Enjoy your shooting experience with Hornady® FTX® bullets!
