

416 RIGBY BRASS CASE - 416 RIGBY BRASS 20/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

Hornady unprimed brass features tight tolerances, uniform concentricity, consistent weight and capacity. Their manufacturing processes ensure consistent bullet seating and uniform bullet release for optimal velocity and accuracy. Target shooters insist on uniform case wall thickness and tight tolerances. Hornady delivers this by treating brass as the foundation for an accurate cartridge, not as a commodity.

Safety Instruction Guide for 416 Rigby Brass Case

Introduction

Thank you for choosing the 416 Rigby Brass Case by Hornady. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. It is important to follow these guidelines to prevent accidents and ensure optimal performance.

General Safety Guidelines

- Ensure that all users of this product are aware of the safety instructions.
- Store the brass cases in a cool, dry place, away from direct sunlight and moisture.
- Always handle brass cases with care to avoid injury.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the brass cases for any signs of damage or wear before use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Only use the brass cases with compatible firearms and ammunition.
- Do not modify or alter the brass cases in any way.
- Wear appropriate eye and ear protection when using firearms loaded with these brass cases.
- Ensure that the firearm is pointed in a safe direction at all times during handling and usage.
- Follow all local laws and regulations regarding the use and storage of ammunition and firearms.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you have all necessary tools and equipment before starting.
- Check that the brass cases are clean and free from debris.

2. Loading the Brass Cases:

- Carefully insert the chosen bullet into the mouth of the brass case.
- Use a reloading press to seat the bullet to the recommended depth, ensuring a snug fit.

3. Firing:

- Load the brass case into the firearm's chamber according to the manufacturer's instructions.
- Ensure that the firearm is in proper working condition before firing.
- Follow the firearm's safety procedures when preparing to fire.

4. PostUse:

- After use, allow the brass cases to cool before handling.
- Inspect the brass cases for any signs of damage or deformation.
- Clean the brass cases as per recommended maintenance practices.

Disposal Instructions

- Dispose of any damaged or unusable brass cases in accordance with local regulations.
- Recycle brass cases when possible to minimize environmental impact.
- Do not dispose of brass cases in regular household waste.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the 416 Rigby Brass Case, please refer to the manufacturer's contact information provided on the packaging or visit their official website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your 416 Rigby Brass Case. Thank you for your attention to these important guidelines.
