CAM LOCK TRIMMER DEBURR TOOL Safety Instruction Guide

Introduction

Thank you for choosing the CAM LOCK TRIMMER DEBURR TOOL by HORNADY. This tool is designed to enhance your chamfering and deburring processes, ensuring a clean and precise finish. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always read the instruction manual before using the tool.
- Ensure that the work area is clean, welllit, and free from distractions.
- Keep the tool out of reach of children and unauthorized users.
- Inspect the tool for any damage or wear before use. Do not use if damaged.
- Use personal protective equipment (PPE) as necessary, including safety glasses and gloves.
- Follow all local regulations regarding the use and disposal of tools.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the tool is securely mounted before use to prevent accidents.
- Keep hands and other body parts away from the cutting area during operation.
- Do not attempt to modify or disassemble the tool.
- Avoid wearing loose clothing or jewelry that could become caught in the tool.
- Always use the tool for its intended purpose as described in this manual.
- If you experience any discomfort or unusual sounds while using the tool, stop immediately and inspect it.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the work surface is stable and free of debris.
2. **Mounting the Tool:**
 - Remove the existing cutter from your trimmer.
 - Carefully install the CAM LOCK TRIMMER DEBURR TOOL in place of the cutter.
 - Ensure that the tool is securely locked in position before proceeding.
3. **Check Alignment:** Verify that the tool is aligned correctly with the case mouth.

Usage

1. **Operating the Tool:**
 - Hold the trimmer securely with both hands.
 - Turn on the trimmer and allow it to reach full speed before introducing the case.
 - Gently feed the case mouth into the tool, ensuring it is squarely aligned.
 - Maintain a steady hand and do not force the case into the tool.
2. **Finishing:**
 - After deburring, turn off the trimmer and remove the case.
 - Inspect the chamfer and deburr to ensure a clean finish.
3. **PostUse Care:**
 - Clean the tool after each use, removing any debris or residue.
 - Store the tool in a dry place, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the tool in accordance with local regulations regarding electronic and mechanical waste.
- Do not dispose of the tool in household waste.
- If the tool is no longer functional, consider recycling components where possible.

Contact Information for Further Support

For further support or inquiries regarding safety and usage of the CAM LOCK TRIMMER DEBURR TOOL, please consult the manufacturer's website or customer service resources.

By following these guidelines, you can ensure a safe and effective experience with your CAM LOCK TRIMMER DEBURR TOOL. Thank you for your attention to safety!
