CUSTOM GRADE RIFLE FULL LENGTH DIE SETS 458 SOCOM FULL LENGTH DIE SET Safety Instruction Guide

Introduction

Thank you for choosing the Hornady Custom Grade 2Die set for your reloading needs. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before using the die set to understand the safety measures and proper handling procedures.

General Safety Guidelines

- Always handle firearms and ammunition with care and responsibility.
- Ensure the die set is used only for its intended purpose, which is reloading 458 SOCOM cartridges.
- Keep the die set out of reach of children and unauthorized users.
- Inspect the die set for any damage before use. Do not use if damaged.
- Wear appropriate safety gear, such as safety glasses and gloves, when reloading.
- Follow all local laws and regulations regarding firearms and ammunition.

Specific Safety Precautions for Use

- Ensure that your reloading area is wellventilated and free from distractions.
- Do not attempt to modify the die set in any way, as this can compromise safety and functionality.
- Use only recommended components for reloading to avoid malfunctions or accidents.
- Store the die set in a safe, dry place when not in use.
- If you experience any issues during reloading, stop immediately and consult the product manual or a professional.

Instructions for Installation and Usage

1. Setup

- Ensure your reloading press is securely mounted and stable.
- Gather all necessary tools and components before starting the reloading process.

2. Installation of Dies

- Carefully remove the dies from their packaging.
- Install the full length sizing die into the reloading press first.
- Tighten the die securely but do not overtighten to avoid damage.
- Install the bullet seating die in the same manner.

3. Reloading Process

- Start with the sizing die: Insert the case into the die and operate the press to resize the case.
- After resizing, remove the case and check for proper sizing.
- Proceed to the bullet seating die: Place the bullet on top of the charged case and operate the press to seat the bullet.
- Check the overall length of the cartridge to ensure it meets specifications.

4. PostReloading

- Inspect all completed cartridges for any defects or irregularities.
- Store completed cartridges in a safe and organized manner.

Disposal Instructions

- Dispose of any unusable or damaged components according to local regulations.
- Do not dispose of reloading materials in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further support, please contact your local dealer or manufacturer. Ensure that you have your product details ready for assistance.

Conclusion

Following these safety instructions will help ensure a safe and enjoyable reloading experience with your Hornady Custom Grade 2Die set. Always prioritize safety and adherence to guidelines when handling firearms and ammunition. Thank you for choosing Hornady.
