## Introduction

Thank you for choosing the Lee Cutter with Ball Grip. This product is designed to make case preparation easier and more comfortable. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always use the product according to the instructions provided in this guide.
- Keep the cutter out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- Do not use the cutter for any purpose other than its intended use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that your hands are dry when using the cutter to avoid slipping.
- Use the cutter on a stable, flat surface to prevent accidents.
- Do not apply excessive force when using the cutter; let the tool do the work.
- Always cut away from your body to minimize the risk of injury.
- If you feel any discomfort while using the cutter, stop immediately and assess the situation.
- Do not attempt to modify or repair the cutter yourself.

## Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the cutter from its packaging. Dispose of packaging materials responsibly.
2. **Preparation:** Ensure that the cutter is clean and free from debris before use.
3. **Using the Cutter:**
  - Hold the cutter by the ball grip for a secure and comfortable grip.
  - Position the cutter at the desired angle against the case you are preparing.
  - Apply gentle pressure to engage the cutting mechanism.
  - Move the cutter steadily along the case to achieve a clean cut.
4. **PostUse Care:**
  - Clean the cutter after each use with a soft cloth to remove any residue.
  - Store the cutter in a safe, dry place away from children and pets.

## Disposal Instructions

- Dispose of the cutter in accordance with local waste disposal regulations.
- If the cutter is damaged or no longer usable, ensure that it is disposed of in a way that prevents injury to others.
