

ACCUPOINT DOTS - 1' (100PK) - LYMAN ACCUPOINT DOTS - 1" (100PK)

[Shooting Accessories](#) > [Targets & Accessories](#) > [Paper Targets](#)

The Lyman AccuPoint Dots are easy-to-see fluorescent orange dots that are perfect for sighting in your firearm. Each dot includes a center diamond and cross hair guides. Available in 1" size, the AccuPoint Dots are great for preparing your pistol or rifle for a hunt, sighting in a target rifle, or plinking. We like to use them by themselves or add to an existing target to improve visibility.

Safety Instruction Guide for Lyman AccuPoint Dots 1" (100PK)

Introduction

Thank you for choosing Lyman AccuPoint Dots. These fluorescent orange dots are designed to enhance your shooting experience by providing a clear sighting aid for your firearm. This guide provides essential safety instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a sighting aid for firearms.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental misuse.
- Regularly inspect the product for any signs of damage or deterioration before use.
- If you experience any issues with the product, discontinue use immediately and report it to the appropriate authorities.
- Stay informed about product recalls and safety alerts through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always handle firearms with care and follow standard firearm safety rules.
- Use the AccuPoint Dots only on a stable and secure target surface to avoid unintended accidents.
- Do not use the dots in situations where visibility is compromised, such as lowlight conditions or inclement weather.
- Ensure that the shooting area is clear of people and obstructions before aiming or firing.
- Avoid using the dots in conjunction with any other products that may interfere with their visibility or effectiveness.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction before applying the AccuPoint Dots.
- Clean the target surface where the dots will be applied to ensure proper adhesion.

2. Application:

- Remove the AccuPoint Dot from the packaging.
- Carefully peel the dot from its backing.
- Press the dot firmly onto the desired location on the target surface.

3. Sighting In:

- Position your firearm at the appropriate distance from the target.
- Align your sights with the center diamond of the AccuPoint Dot.
- Make any necessary adjustments to your aim based on the dot's placement.

4. PostUse:

- After use, remove any remaining dots from the target surface if necessary.
- Dispose of any used or damaged dots responsibly, following local disposal regulations.

Disposal Instructions

- Dispose of AccuPoint Dots in accordance with local regulations for nonhazardous waste.
- Do not incinerate or compost the product.
- Ensure that the product is not accessible to children or pets during disposal.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the appropriate EUbased contact for support. You can find this information on the product packaging or the manufacturer's website.

Thank you for taking the time to read this safety instruction guide. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with Lyman AccuPoint Dots!
