

# UNIVERSAL CARBIDE CASE TRIMMER - LYMAN CARBIDE CUTTER HEAD

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Case Trimmer Pilots](#)

The Universal Carbide Case Trimmer is a heavy-duty, cast-iron constructed case trimming tool designed for serious reloaders who demand precise case lengths for pinpoint accuracy and smooth, reliable functioning cartridges. The secret behind this hard-working case trimmer is simple-it uses a Carbide Cutter Head that holds a diamond-sharp edge to maintain balanced dimensions and a longer-than-average service life, making it ideal for volume reloaders. This replaceable cutter head accepts all Lyman pilots. This unit packs a high speed drive and a safety guard for added protection. Lyman's patented Universal Chuckhead can handle any case cutting job from .17 caliber to .458 caliber with no collets or shell holders required. It also comes with nine of the most popular caliber pilots: 22, 24, 27, 28/7mm, 30, 9mm, 35 (38/357), 44 and 45A.

## Attributes

# Safety Instruction Guide for LYMAN Universal Carbide Case Trimmer

## Introduction

Thank you for choosing the LYMAN Universal Carbide Case Trimmer. This heavyduty tool is designed for serious reloaders who seek precision and reliability in their reloading process. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always read and understand the user manual before operating the trimmer.
- Ensure that the trimmer is used in a welllit and ventilated area.
- Keep the trimmer out of reach of children and unauthorized users.
- Inspect the trimmer for any damage or wear before each use.
- Use the trimmer only for its intended purpose as described in the manual.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves.
- Do not operate the trimmer while under the influence of drugs or alcohol.
- In case of an emergency, stop using the trimmer immediately and seek assistance.

## Specific Safety Precautions for Use

- Ensure that the cutter head is securely attached before use.
- Do not attempt to modify or alter the trimmer in any way.
- Keep hands and other body parts clear of the cutting area during operation.
- Use only the recommended Lyman pilots for your specific caliber.
- Do not exceed the maximum caliber capacity of the trimmer.
- If the trimmer becomes jammed, disconnect it from the power source before attempting to clear the jam.
- Always follow the manufacturer's recommendations for maintenance and care.

## Instructions for Installation and Usage

### 1. Installation:

- Unpack the trimmer and all included components.
- Place the trimmer on a stable, flat surface.
- Attach the Carbide Cutter Head according to the instructions in the manual.
- Select the appropriate Lyman pilot for your caliber and insert it into the trimmer.

### 2. Usage:

- Before starting, ensure that the trimmer is unplugged.
- Insert the case into the trimmer's chuckhead, ensuring it is seated properly.
- Plug the trimmer into a suitable power outlet.
- Turn on the trimmer and allow it to reach full speed before beginning to trim cases.
- Gradually feed the case into the cutter head, applying steady pressure.
- After trimming, turn off the trimmer and remove the case carefully.
- Clean the trimmer after each use to maintain optimal performance.

## Disposal Instructions

- Dispose of the trimmer and any damaged components in accordance with local regulations.
- Do not dispose of the trimmer in household waste.

- Consider recycling components where possible.
