

# CAST BULLET HANDBOOK-4TH EDITION

[Reloading](#) > [Books & Videos](#) > [Books](#) > [Reloading Books & Manuals](#)

The Lyman Cast Bullet Handbook 4th Edition, is Lyman's first cast bullet data manual in over 30 years. The load data covers Lyman's complete line of rifle and pistol moulds, along with select moulds from other manufacturers. It includes new calibers such as the Ruger Compact Magnums and 327 Federal along with black powder loads for many popular older cartridges. Well known Guns Magazine writer and cast bullet enthusiast, Mike Venturino, shares his knowledge of the subject within the pages. Long awaited, the 4th Edition Lyman Cast Bullet Handbook is the new primer on cast bullet moulds and reloading.

# Safety Instruction Guide for the Lyman Cast Bullet Handbook 4th Edition

## Introduction

Thank you for choosing the Lyman Cast Bullet Handbook 4th Edition. This manual is designed to provide you with comprehensive information and guidance on the safe use of cast bullet moulds and reloading data. It is essential to follow the safety guidelines outlined in this document to ensure a safe and effective reloading experience.

## General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Keep firearms pointed in a safe direction at all times.
- Store the handbook in a dry and secure location, away from children and unauthorized users.
- Follow all local laws and regulations regarding firearms and ammunition.
- Ensure that you are using the correct components for reloading, including bullets, primers, and powder.
- Regularly inspect your reloading equipment for wear and damage.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Before starting any reloading project, read the entire handbook thoroughly.
- Use proper personal protective equipment (PPE), including safety glasses and gloves, when handling materials.
- Ensure adequate ventilation in your reloading area to avoid inhalation of dust and fumes.
- Keep a fire extinguisher nearby when reloading, as some materials may be flammable.
- Never exceed the recommended load data provided in the handbook.
- Be cautious when using black powder; it requires specific handling and storage procedures.
- If you are a beginner, seek guidance from an experienced reloader before attempting to reload ammunition.

## Instructions for Installation and Usage

- **Preparation:**
  - Gather all required tools and components before starting.
  - Ensure your workspace is clean and organized.
- **Using the Handbook:**
  - Refer to the load data section for specific recommendations on calibers and components.
  - Follow the stepbystep instructions for casting bullets and reloading ammunition.
- **Casting Bullets:**
  - Preheat your mould according to the manufacturer's instructions.
  - Pour the molten lead carefully into the mould, avoiding splashes.
  - Allow the bullets to cool completely before removing them from the mould.
- **Reloading Ammunition:**
  - Measure powder charges accurately using a scale.
  - Seat bullets to the proper depth as specified in the handbook.
  - Inspect completed cartridges for defects before use.
- **Storage:**
  - Store completed ammunition in a cool, dry place, away from direct sunlight.
  - Keep all components, including powder and primers, securely stored and out of reach of children.

## **Disposal Instructions**

- Dispose of any unused or expired reloading materials in accordance with local regulations.
- Do not throw away hazardous materials in regular trash; contact local waste management for proper disposal methods.
- Ensure that all lead scrap from casting is handled and disposed of safely to prevent environmental contamination.

## **Contact Information for Further Support**

For additional support or inquiries regarding safety, please refer to your local authorized dealer or manufacturer's website for contact details.

By following these safety guidelines and instructions, you can enjoy a safe and rewarding experience with the Lyman Cast Bullet Handbook 4th Edition. Thank you for prioritizing safety in your reloading practices.
