Safety Instruction Guide for Lyman Magnum Inertia Bullet Puller

Introduction

Thank you for choosing the Lyman Magnum Inertia Bullet Puller. This product is designed to safely and effectively remove projectiles from loaded rounds without damaging the case or bullet. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that all users read and understand these safety instructions before using the product.
- Always handle ammunition and components with care and in accordance with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear safety glasses to protect your eyes from potential debris.
- Use the Bullet Puller in a wellventilated area to avoid inhaling any dust or particles.
- Ensure that the Bullet Puller is used on a stable, flat surface to prevent accidents.
- Do not exceed the recommended caliber range for the Bullet Puller.
- Avoid using excessive force when pulling bullets to prevent injury or damage to the product.

Instructions for Installation and Usage

1. Preparation

- Ensure you have a clean, dry workspace.
- Gather all necessary materials, including the Lyman Magnum Inertia Bullet Puller and the ammunition to be disassembled.

2. Using the Bullet Puller

- Place the loaded round into the head of the Bullet Puller.
- Ensure that the round is securely positioned within the head.
- Grip the molded handle firmly, ensuring a comfortable and secure grip.
- Raise the Bullet Puller above a stable surface and bring it down forcefully to dislodge the bullet from the case. Repeat as necessary until the bullet is removed.

3. PostUse

- Inspect the Bullet Puller for any signs of wear or damage after use.
- Store the Bullet Puller in a safe location, away from children or unauthorized users.

Disposal Instructions

- Dispose of any disassembled components in accordance with local regulations.
- Do not dispose of ammunition in regular household waste. Contact local authorities for proper disposal methods.
