Safety Instructions for Lyman Outside Chamfer Tool

Introduction

Thank you for choosing the Lyman Outside Chamfer Tool. This tool is designed to chamfer and remove burrs from the outside of the case mouth efficiently and safely. To ensure your safety and the longevity of the tool, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the tool in a welllit and clean workspace.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool before each use for any signs of damage or wear.
- Store the tool in a safe place when not in use.
- Follow all instructions and guidelines provided in this manual.

Specific Safety Precautions for Use

- Wear safety goggles to protect your eyes from metal shavings.
- Use gloves to protect your hands from sharp edges.
- Ensure the tool is securely held during operation to prevent slips.
- Do not exceed the recommended caliber range of .17 to .45.
- Avoid using excessive force while using the tool to prevent damage.
- Do not use the tool for purposes other than its intended use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials, including the Lyman Outside Chamfer Tool and the cases to be chamfered.
- Ensure that your workspace is clean and free of distractions.

2. Using the Tool:

- Hold the tool firmly by the nonslip handle.
- Insert the case mouth into the chamfering end of the tool.
- Rotate the tool gently to chamfer the edge of the case mouth and remove any burrs.
- Repeat the process for each case as needed.

3. PostUse Care:

- After use, clean the tool to remove any metal shavings or debris.
- Store the tool in a dry place to prevent rust and damage.

Disposal Instructions

- Dispose of the tool responsibly at the end of its life cycle.
- Check local regulations for proper disposal methods for metal tools.
- Do not dispose of the tool in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Lyman Outside Chamfer Tool, please refer to the official Lyman website or customer service resources for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your Lyman Outside Chamfer Tool. Please keep this guide for future reference.
