

# UNIVERSAL CARBIDE CASE TRIMMER - LYMAN 6.5MM TRIM PILOT

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Case Trimmer Pilots](#)

The Universal Carbide Case Trimmer is a heavy-duty, cast-iron constructed case trimming tool designed for serious reloaders who demand precise case lengths for pinpoint accuracy and smooth, reliable functioning cartridges. The secret behind this hard-working case trimmer is simple-it uses a Carbide Cutter Head that holds a diamond-sharp edge to maintain balanced dimensions and a longer-than-average service life, making it ideal for volume reloaders. This replaceable cutter head accepts all Lyman pilots. This unit packs a high speed drive and a safety guard for added protection. Lyman's patented Universal Chuckhead can handle any case cutting job from .17 caliber to .458 caliber with no collets or shell holders required. It also comes with nine of the most popular caliber pilots: 22, 24, 27, 28/7mm, 30, 9mm, 35 (38/357), 44 and 45A.

## Attributes

- Name: [LYMAN 6.5MM TRIM PILOT](#)
- Manufacturer: [LYMAN](#)
- Product no.: 749010258
- Mfr. No.: 7822013
- Caliber: 264/6.5 mm (.264)
- Delivery weight: 0.023kg
- Shipping height: 10mm
- Shipping width: 61mm
- Shipping length: 112mm
- UPC: 011516720139

# Safety Instruction Guide for LYMAN Universal Carbide Case Trimmer with 6.5MM Trim Pilot

## Introduction

Thank you for choosing the LYMAN Universal Carbide Case Trimmer. This guide provides essential safety instructions and usage guidelines to ensure safe and effective operation of the trimmer. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always read and understand the operating instructions before using the product.
- Ensure that the work area is clean and welllit to avoid accidents.
- Keep the tool out of reach of children and unauthorized users.
- Wear appropriate personal protective equipment (PPE), including safety goggles and gloves, when operating the trimmer.
- Regularly inspect the trimmer for any signs of damage or wear. Do not use if any part is damaged.
- Ensure that the trimmer is used only for its intended purpose, which is trimming cartridge cases.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Sharp edges: The carbide cutter head is sharp. Handle with care to avoid cuts.
- Moving parts: Keep hands and loose clothing away from moving parts during operation.
- Dust and debris: Trimming can produce metal shavings. Wear a mask to avoid inhalation.

- **Avoiding Hazards:**

- Always disconnect the trimmer from the power source when changing cutter heads or performing maintenance.
- Do not attempt to modify or alter the trimmer in any way.
- Ensure that all safety guards are in place before operating the trimmer.
- Use only Lymanapproved pilots with the trimmer to ensure compatibility and safety.

## Instructions for Installation and Usage

- **Installation:**

1. Place the trimmer on a stable, flat surface.
2. Ensure that the trimmer is securely fastened to prevent movement during use.
3. Attach the desired Lyman pilot to the cutter head according to the manufacturer's instructions.

- **Usage:**

1. Set the desired case length using the adjustment mechanism.
2. Insert the cartridge case into the pilot.
3. Activate the trimmer according to the operating instructions.
4. Monitor the trimming process closely to ensure safety and accuracy.
5. Once trimming is complete, remove the cartridge case and inspect it for any defects.

## **Disposal Instructions**

- Dispose of the trimmer and its components in accordance with local regulations.
- Do not dispose of electrical components in regular waste. Check for designated electronic waste disposal facilities.
- Ensure that all sharp components are securely packaged to prevent injury during disposal.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the LYMAN Universal Carbide Case Trimmer, please refer to the manufacturer's contact details provided with the product packaging.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective experience while using the LYMAN Universal Carbide Case Trimmer. Always prioritize safety and report any unsafe conditions or incidents to the appropriate authorities. Thank you for your attention to these important safety measures.
