Safety Instruction Guide for Lyman Turbo Brite Brass Polish 20 oz

Introduction

Thank you for choosing Lyman Turbo Brite Brass Polish. This product is designed to enhance the appearance of your brass cases when used with untreated corncob or walnut shells. Please read and follow these safety instructions carefully to ensure safe and effective use.

General Safety Guidelines

- Always keep the product out of reach of children and pets.
- Store in a cool, dry place away from direct sunlight.
- Do not ingest the product. It is not foodsafe.
- In case of accidental ingestion, seek medical attention immediately.
- If the product comes into contact with skin or eyes, rinse thoroughly with water. If irritation persists, consult a physician.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only in wellventilated areas to avoid inhaling dust or fumes.
- Wear protective gloves and safety goggles when handling the product to prevent skin and eye irritation.
- Avoid using the product near open flames or high heat sources.
- Do not mix with other chemicals unless specified in the instructions.
- Dispose of any unused product or waste in accordance with local regulations.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you are in a wellventilated area.
- Gather all necessary materials, including untreated corncob or walnut shells.

2. Usage with Untreated Media:

- Add a small amount of Lyman Turbo Brite Brass Polish to the untreated corncob or walnut shells.
- Mix thoroughly to ensure even distribution.

3. Usage with Treated Media:

- If using treated media, add a small amount of the polish to enhance the shine of your brass.
- Mix well to combine the polish with the treated media.

4. Tumbling Process:

- Place your brass cases into the tumbler along with the treated or untreated media.
- Follow the manufacturer's instructions for your specific tumbler model regarding the duration and settings for tumbling.

5. After Use:

- Carefully remove the brass cases from the tumbler.

- Clean the tumbler and media as per the manufacturer's guidelines.

Disposal Instructions

- Dispose of empty containers and unused product according to local waste management regulations.
- Do not dispose of the product down the drain or in the environment.
- If unsure about disposal methods, consult local authorities for guidance.

Contact Information for Further Support

For any questions or concerns regarding the use of Lyman Turbo Brite Brass Polish, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safe and effective experience with Lyman Turbo Brite Brass Polish. Thank you for your attention to safety!
