[Gun Cleaning & Chemicals](#) > [Professional Cleaning Systems](#) > [Ultrasonic Cleaning Solutions](#)

Cleaning with UltraSonics requires the correct solution for the correct cleaning application. Lyman has partnered with a renowned chemical research team to develop the right solutions for use with today's UltraSonic Cleaners. Lyman's Turbo Sonic case cleaning solution was formulated to deliver premium results in cleaning cases inside and out. Lyman's gun parts solution is the perfect choice for steel and stainless steel parts such as barrels, cylinders or other parts. Available in several sizes to suit your needs. Specifically formulated for ultrasonic use right out of the bottle, Turbo Sonic Gun Lube displaces moisture and penetrates all the hard to reach areas of any part making it ideal for use after ultrasonic cleaning. Formulated for superior firearms lubrication and protection, the lube leaves a dry protective, lubricating film and can be reused repeatedly. Handy 5 Gallon Container for volume users - ideal for Power Pro users! Pouring spout extends for easy pouring with no mess.

TURBO SONIC CLEANING SOLUTIONS AND ACCESSORIES LYMAN TURBO LIQUID CASE CLEANER 16 OZ Safety Instruction Guide

Introduction

Thank you for choosing the Lyman Turbo Sonic Liquid Case Cleaner. This product is designed to provide effective cleaning for firearm cases and gun parts using ultrasonic technology. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Keep out of reach of children and pets.
- Always use personal protective equipment (PPE) such as gloves and safety goggles when handling the cleaning solution.
- Do not mix with other chemicals or cleaning agents unless specified by the manufacturer.
- In case of accidental contact with skin or eyes, rinse immediately with plenty of water and seek medical attention if necessary.
- Report any unsafe incidents or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Before using the Turbo Sonic Liquid Case Cleaner, read the label and safety data sheet (SDS) for detailed information on hazards and safe handling.
- Use the product only in wellventilated areas to avoid inhalation of vapors.
- Avoid prolonged skin contact; if contact occurs, wash thoroughly with soap and water.
- Do not ingest the product. If ingested, seek medical attention immediately.
- Ensure that the ultrasonic cleaner is used according to the manufacturer's specifications to prevent damage or injury.
- Do not operate the ultrasonic cleaner without the correct amount of cleaning solution as specified in the instructions.

Instructions for Installation and Usage

1. Preparation:

- Ensure the ultrasonic cleaner is clean and free from residues.
- Fill the ultrasonic cleaner tank with the appropriate amount of water as per the manufacturer's guidelines.

2. Adding Cleaning Solution:

- Measure the required amount of Lyman Turbo Sonic Liquid Case Cleaner according to the instructions provided with your ultrasonic cleaner.
- Pour the cleaning solution into the waterfilled tank, ensuring it is mixed thoroughly.

3. Loading Items:

- Place the items to be cleaned into the ultrasonic cleaner basket, ensuring they are not touching each other.

- Ensure that the items are fully submerged in the cleaning solution.

4. Operating the Ultrasonic Cleaner:

- Close the lid securely.
- Set the timer and temperature according to the manufacturer's instructions.
- Start the ultrasonic cleaner and monitor the cleaning process.

5. After Cleaning:

- Once the cleaning cycle is complete, carefully remove the items using gloves to avoid skin contact with the cleaning solution.
- Rinse the cleaned items with clean water to remove any remaining cleaning solution.
- Dry the items thoroughly before use or storage.

Disposal Instructions

- Dispose of any unused or expired cleaning solution in accordance with local regulations for hazardous waste.
- Do not pour the cleaning solution down the drain or into the environment.
- Rinse and recycle the container if applicable, or dispose of it in accordance with local waste management guidelines.

Contact Information for Further Support

For any questions or concerns regarding the Lyman Turbo Sonic Liquid Case Cleaner, please refer to the manufacturer's website or customer service for assistance.

By following these guidelines, you can safely and effectively use the Lyman Turbo Sonic Liquid Case Cleaner to maintain your firearm cases and parts. Thank you for prioritizing safety and compliance with EU regulations.
