# Safety Instruction Guide for Lyman Universal Case Prep Accessory Set

## Introduction

Thank you for choosing the Lyman Universal Case Prep Accessory Set. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this guide carefully before using the accessory set.

## General Safety Guidelines

- Ensure that all tools are used in accordance with the instructions provided in this guide.
- Keep the accessory set out of reach of children and vulnerable individuals.
- Inspect all tools before use. Do not use any tool that appears damaged or defective.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling the tools.
- Work in a wellventilated area to avoid inhalation of any dust or debris generated during use.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Primer Pocket Cleaners:**
  - Use the small and large primer pocket cleaners only for their intended purpose. Avoid excessive force to prevent tool damage.
- **Primer Pocket Reamers:**
  - When using the reamers, ensure that the case is securely held to prevent slippage. Use caution to avoid injury.
- **Primer Pocket Uniformers:**
  - Use the uniformers gently to achieve the desired pocket depth without overworking the material.
- **Deburring Tools:**
  - Handle the inside and outside deburring tools with care. Ensure that your hands are clear of the cutting edges during use.

## Instructions for Installation and Usage

1. **Preparation:**
  - Gather all necessary tools and materials before starting the case prep process.
  - Ensure your workspace is clean and organized.
2. **Using the Primer Pocket Cleaners:**
  - Select the appropriate size cleaner for the primer pocket.
  - Insert the cleaner into the pocket and twist gently to remove carbon deposits.
  - Repeat as necessary until the pocket is clean.
3. **Using the Primer Pocket Reamers:**

- Choose the correct size reamer for the primer pocket.
- Insert the reamer into the pocket and apply light pressure while rotating.
- Remove any military primer crimp by carefully reaming the pocket.

#### **4. Using the Primer Pocket Uniformers:**

- Select the uniformer that corresponds to the primer pocket size.
- Insert the uniformer into the pocket and turn it to square and uniform the depth.
- Check the uniformity by visually inspecting the pocket.

#### **5. Using the Deburring Tools:**

- Choose the appropriate deburring tool for inside or outside case mouth.
- Insert the tool into the case mouth and rotate to remove burrs.
- Ensure a smooth finish by checking for any remaining burrs.

## **Disposal Instructions**

- Dispose of any damaged or worn tools in accordance with local regulations.
- Recycle packaging materials where possible to minimize environmental impact.
- Do not dispose of tools in general household waste if they are hazardous.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with the Lyman Universal Case Prep Accessory Set. Thank you for your attention to these important guidelines.
