

7MM-08 REMINGTON PREMIUM BRASS - 7MM-08 REMINGTON BRASS 50/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

NOSLER 7MM-08 REMINGTON PREMIUM BRASS Nosler® Premium Brass is designed for those who want to take finding the perfect load into their own hands. Fully prepped and ready to load, we've gone ahead and done the meticulous case prep work for you. Each piece is chamfered, deburred, checked for proper alignment, sized and trimmed to proper length. The brass is then hand-inspected to ensure exact dimensional standards and tolerances are met, allowing for maximum accuracy and consistency. Serving shooters time after time without sacrificing performance, Nosler® Premium Brass is made with quality materials for optimum case life and unmatched reloadability. Nosler takes a few extra steps with their brass to make it a premium component for the handloader. The brass is first weigh-sorted to within + or - 0.5 grains, then the flash holes are deburred. Nosler completes the case prep with neck sizing and chamfering the inside and outside of the case mouth. All Nosler unprimed brass bears the Nosler headstamp.

FEATURES Fully prepped, ready to load. Case mounts chamfered and deburred Hand-inspected and weight-sorted Flash holes are deburred and checked for proper alignment Full length sized and trimmed to proper length

Safety Instruction Guide for 7MM08 REMINGTON PREMIUM BRASS

Introduction

Thank you for choosing Nosler® 7MM08 REMINGTON PREMIUM BRASS. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read the following information carefully before use.

General Safety Guidelines

- Always handle brass components with care to avoid injury.
- Store brass in a cool, dry place away from direct sunlight and moisture.
- Keep brass out of reach of children and pets.
- Inspect brass for any signs of damage or defects before use.
- Follow all applicable laws and regulations regarding the use of reloading components.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that you are using the correct caliber and type of brass for your firearm.
- Always wear safety glasses when reloading to protect your eyes from potential debris.
- Use appropriate tools and equipment designed for reloading to avoid accidents.
- Never exceed recommended load specifications when reloading ammunition.
- Be aware of the potential hazards associated with handling and reloading ammunition components.

Instructions for Installation and Usage

1. Preparation:

- Ensure your work area is clean and organized.
- Gather all necessary tools and components for reloading.

2. Loading the Brass:

- Inspect each piece of brass for cleanliness and integrity.
- Use a chamfer tool to remove any burrs from the case mouth.
- Weighsort the brass to ensure consistency in load weights.
- Deburr the flash holes to ensure proper ignition.

3. Reloading Process:

- Follow the specific reloading data provided by reputable sources.
- Carefully measure and dispense powder according to the load specifications.
- Seat the bullet firmly in the case mouth without excessive force.
- Crimp the case if required, ensuring not to damage the bullet or case.

4. Final Inspection:

- Inspect the completed cartridge for any defects.
- Ensure that the overall length of the cartridge meets specifications.

Disposal Instructions

- Dispose of any damaged or unusable brass in accordance with local regulations.
- Recycle brass whenever possible to minimize environmental impact.
- Follow proper procedures for disposing of any hazardous materials used in the reloading process.

Contact Information for Further Support

For any questions or concerns regarding the use of Nosler® 7MM08 REMINGTON PREMIUM BRASS, please reach out to the appropriate support channels available in your region.

Thank you for your attention to these safety instructions. Proper handling and use of this product will help ensure a safe and enjoyable reloading experience.
