

7MM REMINGTON ULTRA MAGNUM BRASS CASE - NOSLER 7MM REMINGTON ULTRA MAGNUM BRASS 25/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

Nosler takes a few extra steps with their brass to make it a premium component for the handloader. The brass is first weigh-sorted to within + or - 0.5 grains, then the flash holes are deburred. Nosler completes the case prep with neck sizing and chamfering the inside and outside of the case mouth. All Nosler unprimed brass bears the Nosler headstamp.

Attributes

- Name: [NOSLER 7MM REMINGTON ULTRA MAGNUM BRASS 25/BOX](#)

Safety Instruction Guide for 7MM Remington Ultra Magnum Brass Case

Introduction

Thank you for choosing the 7MM Remington Ultra Magnum Brass Case from Nosler. This guide provides essential safety instructions and guidelines for the proper handling, usage, and disposal of this product. Please read this guide thoroughly to ensure safe and effective use.

General Safety Guidelines

- Ensure that all users are familiar with safe firearm handling practices.
- Always treat every firearm as if it is loaded.
- Store ammunition in a secure location, out of reach of children and unauthorized users.
- Inspect brass cases regularly for signs of damage or wear before use.
- Follow all local laws and regulations regarding the use and storage of ammunition components.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection and hearing protection, when reloading ammunition.
- Avoid using brass cases that show signs of corrosion, cracks, or other structural damage.
- Do not exceed recommended load specifications provided by the manufacturer.
- Ensure that your reloading equipment is in good working condition and properly maintained.
- Keep your work area clean and organized to prevent accidents.

Instructions for Installation and Usage

1. Preparation

- Before beginning, ensure that you have all necessary tools and materials ready.
- Check that the brass cases are clean and free from debris.

2. Reloading Process

- Weighsort the brass to ensure consistency within + or 0.5 grains.
- Deburr the flash holes to prevent ignition issues.
- Perform neck sizing and chamfering of the inside and outside of the case mouth.
- Confirm that all unprimed brass cases bear the Nosler headstamp for authenticity.

3. Storage

- Store brass cases in a cool, dry place.
- Use labeled containers to keep different calibers organized.

4. Final Checks

- Inspect completed cartridges before use to ensure they meet safety standards.

Disposal Instructions

- Dispose of any damaged or unusable brass cases in accordance with local regulations.
- Consider recycling brass cases where facilities are available.

- Never throw brass cases in regular trash as they may be hazardous.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please contact the appropriate local authorities or a certified firearms expert.

By following these guidelines, you can ensure the safe and effective use of the 7MM Remington Ultra Magnum Brass Case. Stay informed about safety updates and product recalls by checking the EU's Safety Gate platform regularly. Thank you for your commitment to safety.
