

# RELOADER SPECIAL-5 PRESS - RCBS RELOADER SPECIAL-5 SINGLE STAGE PRESS

[Reloading](#) > [Reloading Presses](#) > [Single Stage Presses](#)

Here's a workhorse of a press designed for any reloader— beginner, intermediate, or advanced—who want a press that can handle the smallest cartridge from a .17 Remington to a big-bore 375 magnum load for pistol, revolver or rifle, or for those just wanting a separate press to handle different duties. The RS-5 evolved from the now famous "JR" and Reloader Special presses. The RS-5 features a sturdy offset "O" frame for easy case insertion and extraction. Also includes an enhanced ball handle for comfort, an extra-long ram bearing surface to eliminate wobble and ensure alignment of the case holder for dies, an on-press primer arm that lets you prime cases at the same time you resize them, and a removable bushing for using RCBS shotshell dies or the Piggyback Conversion Unit. The 7/8 x 14 thread accommodates most popular reloading accessories.

## Attributes

- Name: [RCBS RELOADER SPECIAL-5 SINGLE STAGE PRESS](#)
- Manufacturer: [RCBS](#)
- Product no.: 749010590
- Mfr. No.: 9285

# RELOADER SPECIAL5 PRESS Safety Instruction Guide

## Introduction

Thank you for choosing the RELOADER SPECIAL5 PRESS by RCBS. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your reloading press. Please read this document carefully before using the product.

## General Safety Guidelines

To ensure safe operation of the RELOADER SPECIAL5 PRESS, please adhere to the following guidelines:

- Always wear appropriate personal protective equipment (PPE), including safety glasses and hearing protection.
- Keep the work area clean and organized to prevent accidents.
- Ensure that the press is used in a wellventilated area to avoid inhalation of any hazardous materials.
- Do not use the press for any purpose other than its intended use as a reloading tool.
- Keep all tools and materials out of reach of children and unauthorized users.
- Regularly inspect the press for any signs of damage or wear.

## Specific Safety Precautions for Use

When using the RELOADER SPECIAL5 PRESS, please follow these specific precautions:

- Ensure that the press is securely mounted to a stable workbench or surface before use.
- Do not overload the press beyond its specified capacity.
- Always check that the correct dies and components are installed before starting the reloading process.
- Use only compatible components and materials as specified in the product manual.
- Avoid distractions while operating the press to maintain focus and safety.
- If you experience any unusual noises or resistance while using the press, stop immediately and inspect for issues.

## Instructions for Installation and Usage

Follow these steps for proper installation and usage of the RELOADER SPECIAL5 PRESS:

### 1. Installation:

- Choose a stable, flat surface for mounting the press.
- Use bolts or screws to securely attach the press to the workbench.
- Ensure that there is adequate space around the press for safe operation.

### 2. Setup:

- Install the appropriate die set for your reloading needs according to the manufacturer's instructions.
- Adjust the ram height and ensure it moves freely without obstruction.
- Attach the primer arm as needed for your reloading process.

### 3. Usage:

- Place the cartridge case into the shell holder.
- Pull the handle down to resize or deprime the case.

- Follow the reloading process as outlined in your specific reloading manual.
- After reloading, carefully remove the finished cartridge from the press.

#### **4. PostUse:**

- Clean the press after each use to remove any residue or debris.
- Store the press in a safe, dry location when not in use.

## **Disposal Instructions**

When disposing of the RELOADER SPECIAL5 PRESS or its components, please follow these guidelines:

- Check local regulations for proper disposal of metal and plastic components.
- If the press is no longer functional, consider recycling it at a designated recycling facility.
- Dispose of any hazardous materials, such as primers or powder, according to local hazardous waste guidelines.

## **Contact Information for Further Support**

For any safety inquiries or product support, please refer to the contact details provided with your product packaging or visit the manufacturer's website.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with your RELOADER SPECIAL5 PRESS. Always prioritize safety and adhere to all recommended practices. Thank you for your attention to these important guidelines.
