# CASE LUBE2 Safety Instruction Guide

## Introduction

Welcome to the CASE LUBE2 Safety Instruction Guide. This guide provides important safety information, usage instructions, and disposal guidelines for the CASE LUBE2 product. Please read this guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that CASE LUBE2 is used in a wellventilated area to avoid inhalation of vapors.
- Keep CASE LUBE2 out of reach of children and pets.
- Do not ingest CASE LUBE2. It is nontoxic, but it is not intended for consumption.
- Avoid contact with eyes. If contact occurs, rinse thoroughly with water and seek medical attention if irritation persists.
- Store CASE LUBE2 in its original container, tightly closed, and in a cool, dry place away from direct sunlight and heat sources.

## Specific Safety Precautions for Use

- Always wear protective gloves when applying CASE LUBE2 to avoid skin irritation.
- Use CASE LUBE2 only as directed. Do not use it for purposes other than those specified.
- If you experience any adverse reactions while using CASE LUBE2, discontinue use immediately and consult a healthcare professional.
- Ensure that the work surface is clean and free from any contaminants before applying CASE LUBE2.
- Dispose of any excess lubricant according to local regulations.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including the RCBS Case Lube Pad or RCBS Lube Dies.
- Ensure the work area is clean and wellventilated.

### 2. Application:

- Shake the CASE LUBE2 container gently before use.
- Apply a small amount of CASE LUBE2 to the RCBS Case Lube Pad or directly onto the cases.
- For optimal results, ensure an even coating on the cases without excess buildup.

### 3. Cleaning:

- After use, wipe off any excess lubricant from the cases with a clean cloth.
- CASE LUBE2 is watersoluble; it can be easily removed with water if needed.

### 4. Storage:

- Store CASE LUBE2 in a cool, dry place away from heat and direct sunlight.
- Ensure the cap is tightly closed to prevent leakage.

## Disposal Instructions

- Dispose of empty CASE LUBE2 containers according to local waste disposal regulations.
- Do not pour CASE LUBE2 down the drain or into the environment.

- If you have unused product, check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of CASE LUBE2, please refer to the manufacturer's contact information provided on the packaging or visit the manufacturer's website.

Thank you for choosing CASE LUBE2. Your safety and satisfaction are our priorities. Please follow these guidelines to ensure a safe and effective experience.
