Universal Priming Tool Replacement Trays Safety Instructions

Introduction

Thank you for choosing the RCBS Universal Hand Priming Tool Replacement Trays. This guide provides important safety information to ensure the safe and effective use of this product. Please read and follow all instructions carefully to minimize risks and enhance your experience.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use with nonfood items. Always ensure that you are using this tool as intended.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If a recall occurs, follow the provided instructions for safe return or remedy.
- **Online Shopping:** Ensure that you purchase this product from reputable retailers who comply with safety standards.
- **Special Consumer Focus:** Keep this product out of reach of children. It is not a toy and should only be used by adults or under adult supervision.
- **EU Contact Point:** For any safety inquiries, please refer to the manufacturer or authorized retailers.
- **Rapid Alerts:** Check the EU Safety Gate platform regularly for updates on product safety.

Specific Safety Precautions for Use

- Always inspect the tray and lid for any damage before use. Do not use if any part is cracked or broken.
- Ensure that the tray is properly seated on the priming tool before use to prevent spillage of primers.
- Do not overload the tray with primers beyond its designed capacity.
- Avoid using the tray near open flames or high heat sources.
- Store the tray in a cool, dry place away from direct sunlight.
- Do not modify or attempt to repair the tray on your own.

Instructions for Installation and Usage

1. Installation:

- Remove the existing tray from the Universal Hand Priming Tool if applicable.
- Align the new Universal Priming Tool Replacement Tray with the tool's base.
- Press down gently until the tray clicks into place, ensuring a secure fit.

2. Usage:

- Fill the tray with primers according to the manufacturer's specifications.
- Use the sliding primer shutoff gate to control the flow of primers as needed.
- Always handle primers with care, following the manufacturer's guidelines for safe handling.
- After use, clean the tray and tool as per the maintenance instructions to ensure longevity.

Disposal Instructions

- Dispose of the product responsibly. If the tray is damaged or no longer in use, check local regulations for proper disposal methods.
- Do not dispose of primers in regular household waste. Follow local guidelines for hazardous materials disposal.

Contact Information for Further Support

For further assistance or inquiries regarding safety, please refer to the manufacturer or authorized retailers. They can provide you with the necessary support and information related to the product.

Thank you for your attention to these safety instructions. Enjoy your safe and effective use of the RCBS Universal Hand Priming Tool Replacement Trays!
