

# COMPETITION SEATER DIES - 6.5MM CREEDMOOR BULLET SEATING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

We feel the Redding Competition Bullet Seater is the best bullet 7/8-14 bullet seater on the market today. The machining is precise, and the sliding chamber is the smoothest we have ever experienced in a seater. This micrometer-adjustable die is calibrated in .001" increments for precise seating depth adjustments and is infinitely adjustable (no clicks). It also has a zero set feature that allows you to zero the micrometer to your favorite seating depth. Sold separately or as part of a set. Also available for handgun and straight wall cartridges.

# Safety Instruction Guide for Redding Competition Seater Dies 6.5MM Creedmoor Bullet Seating Die

## Introduction

Thank you for choosing the Redding Competition Seater Dies 6.5MM Creedmoor Bullet Seating Die. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and understand these instructions before use.

## General Safety Guidelines

- Always handle the die with care to avoid injury.
- Ensure that the work area is clean and free from distractions.
- Keep the die out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling materials.
- Familiarize yourself with the die and its components before use to prevent accidents.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure the die is compatible with your reloading equipment and cartridges.
- Always check the die for damage before use. Do not use if damaged.
- Follow the manufacturer's instructions for adjustments and settings.
- Do not exceed the recommended seating depth to avoid potential hazards.
- Use the die in a wellventilated area to minimize exposure to fumes and dust.
- Avoid wearing loose clothing or jewelry that may get caught in machinery.

## Instructions for Installation and Usage

### 1. Installation:

- Securely attach the die to the reloading press according to the manufacturer's instructions.
- Ensure that the die is tightened properly to prevent movement during use.

### 2. Usage:

- Set the micrometer to your desired seating depth using the zero set feature.
- Insert the cartridge case into the die and ensure it is properly positioned.
- Slowly and steadily operate the press to seat the bullet.
- Check the seating depth after each adjustment to ensure accuracy.
- Clean the die regularly to maintain optimal performance.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the die in regular household waste. Check for recycling options in your area.

## Contact Information for Further Support

For further assistance or inquiries regarding safety, please consult the product packaging or visit the manufacturer's website for more information.

By following these guidelines, you can ensure the safe and effective use of your Redding Competition Seater

Dies 6.5MM Creedmoor Bullet Seating Die. Thank you for your commitment to safety.
