

COMPETITION BUSHING NECK DIE SETS - REDDING 300 WEATHERBY MAGNUM COMPETITION BUSHING NECK DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Redding Competition Bushing Neck Die Set includes a Competition Bushing Neck Sizing Die, a Body Die, and a Competition Bullet Seater. Neck Sizing Die and Seater feature micrometer adjustments. Bushings and Shellholder sold separately. Competition Bushing Neck Die - With this die, the cartridge case is completely supported and aligned with the sizing bushing before the sizing process begins. As the sizing process starts, the cartridge case remains supported in the tightly chambered, sliding sleeve as it moves upward while the resizing bushing self-centers on the case neck. The decapping rod is maintained in precise alignment by using the internal parts of the die as a linear support much like that of a firing pin. Meanwhile, the micrometer adjustment of the bushing position delivers precise control to the desired amount of neck length to be sized. Body Die -designed to full length resize the case body and bump the shoulder position for proper chambering without disturbing the case neck. Competition Bullet Seater - Tighter manufacturing tolerances have been made possible due to the details of the floating seating stem system. The bullet guide to seating stem fit is so precise that the seating stem can actually be demonstrated to "float"

Redding Competition Bushing Neck Die Set, 300 Wthby Mag

Safety Instruction Guide for Redding Competition Bushing Neck Die Set, 300 Weatherby Magnum

Introduction

Thank you for choosing the Redding Competition Bushing Neck Die Set for your reloading needs. This guide provides important safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before using the die set to understand potential hazards and how to avoid them.

General Safety Guidelines

- **Product Safety:** Always ensure that the die set is used in accordance with the manufacturer's instructions to prevent accidents and injuries.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. You can find updates on the EU Safety Gate platform.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements as per EU regulations.
- **Special Consumer Focus:** Extra caution should be taken if the product is used in environments where children may be present.
- **EU Contact Point:** For any safety inquiries, refer to the manufacturer's contact point based in the EU.
- **Rapid Alerts:** Regularly check for updates on unsafe products via the Safety Gate system.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, while using the die set.
- Ensure that the workspace is clean and free from obstructions to prevent accidents.
- Do not use the die set if it appears damaged or worn. Inspect all components before each use.
- Keep the die set out of reach of children and pets.
- Follow all local laws and regulations regarding the use of reloading equipment.
- Avoid using the die set in wet or damp conditions to prevent electrical hazards if applicable.
- Use only compatible cartridges as specified by the manufacturer.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Carefully unpack the die set and inspect for any damage.
- Follow the manufacturer's instructions to install the die set onto your reloading press.
- Ensure all components are tightened and secure before use.

2. Usage:

- Always refer to the specific reloading data for the 300 Weatherby Magnum cartridge.
- Adjust the die according to the manufacturer's specifications for proper neck sizing.
- Use the appropriate bushing for the desired neck tension.
- After each use, clean the die set to maintain its functionality and longevity.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the die set is no longer usable, follow local hazardous waste disposal guidelines to ensure safe disposal.
- Do not dispose of the die set in regular household waste if it contains any hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the Redding Competition Bushing Neck Die Set, please refer to the manufacturer's contact point for assistance. It is important to address any safety inquiries promptly to ensure safe usage of the product.

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience with your Redding Competition Bushing Neck Die Set. Always prioritize safety and compliance with local regulations to protect yourself and others.
