

COMPETITION BUSHING NECK DIE SETS - REDDING 260 ACKLEY IMPROVED COMPETITION BUSHING NECK DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Redding Competition Bushing Neck Die Set includes a Competition Bushing Neck Sizing Die, a Body Die, and a Competition Bullet Seater. Neck Sizing Die and Seater feature micrometer adjustments. Bushings and Shellholder sold separately. Competition Bushing Neck Die - With this die, the cartridge case is completely supported and aligned with the sizing bushing before the sizing process begins. As the sizing process starts, the cartridge case remains supported in the tightly chambered, sliding sleeve as it moves upward while the resizing bushing self-centers on the case neck. The decapping rod is maintained in precise alignment by using the internal parts of the die as a linear support much like that of a firing pin. Meanwhile, the micrometer adjustment of the bushing position delivers precise control to the desired amount of neck length to be sized. Body Die -designed to full length resize the case body and bump the shoulder position for proper chambering without disturbing the case neck. Competition Bullet Seater - Tighter manufacturing tolerances have been made possible due to the details of the floating seating stem system. The bullet guide to seating stem fit is so precise that the seating stem can actually be demonstrated to "float"

Attributes

- Name: [REDDING 260 ACKLEY IMPROVED COMPETITION BUSHING NECK DIE SET](#)
- Manufacturer: [REDDING](#)

Safety Instruction Guide for Redding Competition Bushing Neck Die Set

Introduction

Thank you for choosing the Redding Competition Bushing Neck Die Set. This guide provides important safety instructions and information to ensure safe and effective use of the product. Please read this guide carefully before using the die set.

General Safety Guidelines

- Ensure safe use of the die set by following all safety instructions.
- Always inspect the die set for any damage or wear before use.
- Use the die set only for its intended purpose, which is to resize cartridge cases.
- Keep the die set out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses when operating the die set.
- Ensure that the workspace is clean and free of obstructions to prevent accidents.
- Do not exceed the recommended specifications for cartridge cases when using the die set.
- Handle all components of the die set with care to avoid injury.
- Keep hands and body clear of moving parts during operation.

Instructions for Installation and Usage

Installation

1. **Preparation:** Gather all components of the Redding Competition Bushing Neck Die Set, including the Competition Bushing Neck Sizing Die, Body Die, and Competition Bullet Seater.
2. **Setup:**
 - Securely mount the die set in a reloading press according to the manufacturer's instructions.
 - Ensure that the press is stable and properly anchored to prevent movement during use.

Usage

1. **Neck Sizing Die:**
 - Adjust the micrometer settings according to the desired neck length.
 - Insert the cartridge case into the die, ensuring it is fully supported.
 - Operate the press to resize the case, allowing the resizing bushing to selfcenter on the case neck.
2. **Body Die:**
 - Use the Body Die to fulllength resize the case body and bump the shoulder position.
 - Ensure the case neck remains undisturbed during this process.
3. **Competition Bullet Seater:**
 - Adjust the seating depth using the micrometer settings on the seater.
 - Insert the bullet into the case and operate the press to seat the bullet accurately.

Disposal Instructions

- Dispose of any unused or damaged components of the die set in accordance with local regulations.
- Do not dispose of the die set in regular household waste.
- Check with local waste management services for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, usage, or support related to the Redding Competition Bushing Neck Die Set, please refer to the manufacturer's contact information provided with the product.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Redding Competition Bushing Neck Die Set. Thank you for your attention to safety.
