

DELUXE 3-DIE SETS - REDDING 6.5 CREEDMOOR 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

Safety Instruction Guide for DELUXE 3DIE SETS REDDING 6.5 CREEDMOOR 3 DIE SET

Introduction

Thank you for choosing the DELUXE 3DIE SETS REDDING 6.5 CREEDMOOR 3 DIE SET. This guide provides essential safety instructions and usage guidelines to ensure a safe and effective experience with your die set. Please read this document carefully to understand the necessary precautions and procedures.

General Safety Guidelines

- Ensure the die set is used only for its intended purpose: reloading ammunition for the 6.5 Creedmoor cartridge.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Keep the die set and all related components out of reach of children and unauthorized individuals.
- Regularly inspect the die set for any signs of damage or wear. Do not use damaged dies.
- Follow all local laws and regulations regarding ammunition reloading and usage.

Specific Safety Precautions for Use

- Before starting, ensure that your workspace is clean, welllit, and free of distractions.
- Always doublecheck that the die set is properly installed in your reloading press before use.
- Use the correct shellholder (sold separately) that matches the 6.5 Creedmoor cartridge for safe operation.
- Do not exceed recommended load specifications when reloading ammunition.
- Be cautious when handling primers and powders; store them in a cool, dry place away from heat sources.
- Avoid direct contact with the neck sizing die if it becomes hot during use.

Instructions for Installation and Usage

1. Installation:

- Carefully unpack the die set and check for all components: full length sizing die, standard seating die, neck sizing die, spare decapping pin, and hex wrench.
- Securely install the full length sizing die into your reloading press using the provided hex wrench.
- Follow the same procedure for the neck sizing die and the standard seating die.
- Ensure that all dies are tightened properly to prevent movement during operation.

2. Usage:

- Begin by preparing your brass cases for reloading. Clean and inspect them for any damage.
- Use the full length sizing die to resize your brass cases. Follow the manufacturer's instructions for proper operation.
- After resizing, use the neck sizing die if necessary for additional precision.
- Finally, use the standard seating die to seat the bullet to the desired depth, ensuring proper alignment.
- Regularly check your ammunition for consistency and quality during the reloading process.

Disposal Instructions

- Dispose of any damaged or unusable components responsibly, following local regulations for hazardous waste.

- Do not throw away reloading materials or components in regular trash. Check with local authorities for proper disposal methods.
- Recycle any metal or plastic parts when possible.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the DELUXE 3DIE SETS REDDING 6.5 CREEDMOOR 3 DIE SET, please refer to the manufacturer's official website or contact their customer service department. It is important to have access to support for any questions or concerns you may have.

By following these safety instructions and guidelines, you can ensure a safe and successful reloading experience with your DELUXE 3DIE SETS REDDING 6.5 CREEDMOOR 3 DIE SET. Always prioritize safety and adhere to best practices in ammunition reloading.
