

# REDDING DROP TUBE ADAPTER - SINCLAIR INTERNATIONAL REDDING DROP TUBE ADAPTER

[Reloading](#) > [Powder Handling](#) > [Measure Stands & Accessories](#)

These Drop Tube Adapters are the adapters needed to allow your Redding powder measures to accept the Sinclair Custom Drop Tubes. Machined from stainless steel, these adapters replace your existing drop tubes and allow you to use Custom Drop Tubes of various lengths. Work with either the Redding Measure stand or the Sinclair Powder Measure Stand.

# Safety Instruction Guide for Redding Drop Tube Adapter

## Introduction

Thank you for choosing the Redding Drop Tube Adapter from Sinclair International. This product is designed to enhance the functionality of your Redding powder measures by allowing them to accept Sinclair Custom Drop Tubes. This guide provides essential safety instructions and usage information to ensure your safety and the optimal performance of the product.

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- In case of any malfunction or damage, discontinue use and contact a qualified professional.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use the adapter only with Redding powder measures and Sinclair Custom Drop Tubes.
- Do not attempt to modify the adapter or use it for any other purpose.
- Ensure that all connections are secure before using the powder measure.
- Avoid using the product in wet or damp conditions.
- Wear appropriate safety gear, such as goggles and gloves, when handling powders or during reloading activities.
- Be aware of the potential hazards associated with the materials being measured or processed.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your Redding powder measure is clean and free from any obstructions.
- Remove the existing drop tube from the powder measure by unscrewing it.
- Take the Redding Drop Tube Adapter and align it with the opening of the powder measure.
- Screw the adapter securely into place until it is firmly attached.
- Verify that the adapter is installed correctly and that there are no gaps.

### 2. Using the Adapter:

- Select the appropriate Sinclair Custom Drop Tube based on your needs.
- Insert the Custom Drop Tube into the Redding Drop Tube Adapter.
- Ensure that the Custom Drop Tube is securely fitted and that there are no leaks.
- Proceed with your reloading process as normal, following all safety precautions.

### 3. PostUse:

- After use, carefully remove the Custom Drop Tube from the adapter.
- Clean the adapter and powder measure to prevent residue buildup.
- Store the adapter in a safe, dry place when not in use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling the materials if possible.

## Contact Information for Further Support

For any inquiries or support regarding the Redding Drop Tube Adapter, please refer to the manufacturer's website or contact their customer service directly.

By following these guidelines and instructions, you can ensure safe and effective use of the Redding Drop Tube Adapter. Thank you for your attention to safety.
