

# SCIROCCO II BONDED BULLETS - 6MM (0.243") 90GR BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Scirocco® II, with the Signature Black Tip™, is a superbly accurate hunting bullet designed for long-range efficiency. It carries velocity and energy better than any of its competitors. Its sleek design and high ballistic coefficient produces the flattest trajectory in downrange hunting, making it a perfect match for long-range cartridges. The Scirocco® II produces positive expansion at minimal velocities as well as controlled expansion and high weight retention at close range. No other tipped bullet offers the terminal range of Scirocco™ II. Polymer tip initiates expansion and is precisely shaped to reduce frontal air resistance Advanced secant ogive nose profile allows high ballistic coefficient Pure copper jacket is progressively tapered to control expansion development throughout a wide range of velocities Jacket and core are joined together using proven Swift bonding technology Long driving band for improved rotational stability Boat tail base profile reduces drag and eases seating. Thick base prevents bullet deformation in high-velocity magnum calibers.

## Attributes

- Name: [6MM \(0.243"\) 90GR BOAT TAIL 100/BOX](#)
- Manufacturer: [SWIFT BULLET](#)
- Product no.: 749010880
- Mfr. No.: 720908
- Ballistic Coefficient (G1): 0.419
- Brand Style: Scirocco II
- Bullet Style: Boat Tail (BT)
- Caliber: 6mm,243 Caliber
- Diameter (Breech): 0.243
- Diameter (in): 0.243
- Grain: 90
- Sectional Density: 0.218
- Quantity: 100
- Delivery weight: 0.59kg
- Shipping height: 28mm
- Shipping width: 58mm
- Shipping length: 79mm
- UPC: 713351720908

## Safety Instruction Guide

### Introduction

Thank you for choosing the SCIROCCO II BONDED BULLETS 6MM (0.243") 90GR BOAT TAIL. This guide provides essential safety information to ensure the safe use and handling of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before use.

### General Safety Guidelines

- Product Safety:
  - Ensure safe use of the bullets by following all instructions.
  - Be aware of risks associated with ammunition that are not covered by other EU laws.
- Enhanced Recalls:
  - Stay informed about product recalls and safety notices.
- Online Shopping:
  - Ensure that the product purchased online meets the same safety requirements as those bought in physical stores.
- Special Consumer Focus:
  - Extra care should be taken when handling ammunition around vulnerable groups, such as children.
- EU Contact Point:
  - For safety inquiries, ensure you have access to an EU-based contact.
- Rapid Alerts:
  - Stay updated on unsafe products through the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Always handle ammunition with care and treat it as if it is loaded.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized users.
- Inspect bullets for any signs of damage before use.
- Do not use bullets that appear damaged or have been exposed to extreme conditions.
- Use appropriate firearms that are designed for the specific caliber of the bullets.
- Always wear safety glasses and hearing protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding ammunition use and storage.

### Instructions for Installation and Usage

- **Installation:**
  - Ensure the firearm is unloaded before installing the bullets.
  - Follow the manufacturer's instructions for loading bullets into the firearm.
  - Verify that the bullets are seated correctly in the chamber.
- **Usage:**
  - Always point the firearm in a safe direction.
  - Keep your finger off the trigger until you are ready to shoot.
  - Be mindful of the target and what lies beyond it.
  - Use proper shooting techniques to ensure accuracy and safety.
  - If a bullet fails to fire, wait at least 30 seconds before attempting to remove it.
  - Dispose of misfires according to local regulations.

## Disposal Instructions

- Dispose of any unused or expired ammunition according to local laws and regulations.
- Do not throw bullets in regular trash.
- Contact local authorities or waste management facilities for safe disposal options.

## Contact Information for Further Support

For any safety inquiries or concerns, please refer to the appropriate EUbased contact point for assistance.

By following these safety guidelines and instructions, you ensure a safe and enjoyable experience with the SCIROCCO II BONDED BULLETS 6MM (0.243") 90GR BOAT TAIL. Always prioritize safety and compliance with all regulations. Thank you for your attention to these important safety measures.
