

SCIROCCO II BONDED BULLETS - 270 CALIBER (0.277") 130GR BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Scirocco® II, with the Signature Black Tip™, is a superbly accurate hunting bullet designed for long-range efficiency. It carries velocity and energy better than any of its competitors. Its sleek design and high ballistic coefficient produces the flattest trajectory in downrange hunting, making it a perfect match for long-range cartridges. The Scirocco® II produces positive expansion at minimal velocities as well as controlled expansion and high weight retention at close range. No other tipped bullet offers the terminal range of Scirocco™ II. Polymer tip initiates expansion and is precisely shaped to reduce frontal air resistance. Advanced secant ogive nose profile allows high ballistic coefficient. Pure copper jacket is progressively tapered to control expansion development throughout a wide range of velocities. Jacket and core are joined together using proven Swift bonding technology. Long driving band for improved rotational stability. Boat tail base profile reduces drag and eases seating. Thick base prevents bullets deformation in high-velocity magnum calibers.

Attributes

- Name: [270 CALIBER \(0.277"\) 130GR BOAT TAIL 100/BOX](#)
- Manufacturer: [SWIFT BULLET](#)
- Product no.: 749010881
- Mfr. No.: 781305
- Ballistic Coefficient (G1): 0.450
- Brand Style: Scirocco II
- Bullet Style: Boat Tail (BT)
- Caliber: 270 Caliber
- Diameter (Breech): -
- Diameter (in): 0.277
- Grain: 130
- Sectional Density: 0.242
- Quantity: 100
- Delivery weight: 0.816kg
- Shipping height: 38mm
- Shipping width: 58mm
- Shipping length: 94mm
- UPC: 713351781305

SCIROCCO II BONDED BULLETS 270 CALIBER

Safety Instruction Guide

Introduction

Thank you for choosing the SCIROCCO II BONDED BULLETS 270 CALIBER. This guide provides essential safety instructions to ensure the safe and effective use of this product. It is important to read and understand these guidelines before using the bullets to minimize risks and enhance your shooting experience.

General Safety Guidelines

- Always treat every bullet as if it is loaded and ready to fire.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized individuals.
- Follow all local laws and regulations regarding the purchase, storage, and use of ammunition.
- Inspect ammunition for damage before use. Do not use damaged or corroded bullets.
- Use only firearms that are specifically designed for the caliber of ammunition you are using.
- Always wear appropriate eye and ear protection when shooting.

Specific Safety Precautions for Use

- Ensure that your firearm is in good working condition and properly maintained.
- Do not exceed the manufacturer's recommended load specifications.
- Be aware of your surroundings and ensure that the shooting area is clear of people and obstacles.
- Do not shoot at hard surfaces or water, as bullets can ricochet.
- Always use appropriate shooting techniques and follow safe handling practices.
- If a bullet does not fire, wait at least 30 seconds before attempting to remove it from the chamber to avoid accidental discharge.
- Be cautious of the potential for bullet expansion and fragmentation upon impact.

Instructions for Installation and Usage

- Carefully read the firearm's manual before loading the bullets.
- Load bullets into the magazine according to the manufacturer's instructions.
- Ensure that the firearm is pointed in a safe direction when loading or unloading.
- After loading, visually inspect the chamber to confirm that it is clear of obstructions.
- When ready to shoot, take a stable shooting position and align your sights properly.
- After shooting, unload the firearm immediately and ensure it is safe before handling or storing.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Instead, contact local authorities for proper disposal methods.
- Keep spent casings and any other waste materials in a designated container until proper disposal can be arranged.

Contact Information for Further Support

For any safety inquiries or concerns regarding the SCIROCCO II BONDED BULLETS 270 CALIBER, please consult the manufacturer or authorized dealer. Always ensure that you have access to reliable resources for information regarding product safety.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with the SCIROCCO II BONDED BULLETS 270 CALIBER. Always prioritize safety and adhere to best practices for ammunition handling and use. Thank you for your attention to these important guidelines.
